"Many people think that women are admitted to membership in the Masonic order, while as a matter of fact within the history of the organization only one woman has ever beer allowed to join.

There are authentic reports to show that the only woman who was ever admitted was Mrs. Alsworth. Her picture now hangs in the Masonic hall, in Franklin street, between Eighteenth and Nineteenth, and is the property of old Richmond Lodge No 19, said to be the most venerable lodge in existence in this country, as it was chartered October 29, 1787.

Miss St. Leger was placed under guard of the tiler and other members in the room in which she had been caught, while the lodge reassembled and its members deliberated for two hours in hushed voices as to what her fate should be.
