A Warm Proposition.

When we began offering our entire stock of \$3,500 worth of men's and boys' ready-to-wear Clothing at 50 cents on the dollar it made a warm proposition.

Many people have taken advantage of the opportunity to buy Clothes at this price and done some quick buying.

If you haven't bought what you want you to know that you are missing a good chance to save money on clothes.

At this season all clothing merchants are supposed to be making a profit on clothing.

Most of them are making a good profit. We are not because, we are going out of the clothing business entirely.

We are determined to get out regardless of our losses. This determination on our part makes easy buying at low prices if you buy here and buy quick.

We are offering twelve dollar suits at six dollars. Ten dollar suits at five dollars.

Eight dollar suits at four dollars and so on. Seven dollar pants at three fifty.

Six dollar pants at three dollars. Five dollar pants at two fifty, and so on.

This sale will positively end on Saturday next—November 21st. Buy before that date.

Our friends will please remember that we will receive no photographs for enlargement after the 1st day of December.

Our contract with the Argo Portrait company expired October 1st, and we therefore cannot accept photographs for enlargement after the above date, December 1st.

If you have cash tickets, issued under our proposition, you will please fill them out and hand us the photograph you wish enlarged on or before December 1, 1903.

The Strauss-Smith Company.

QUICK DEALING.

If you are anxious to dispose of property at its market value, remember a broker's talented auctioneer can give you much more pleasant and speedy relief than can a sheriff's.

Remember I am not confined to local buyers, as I am in position to attract buyers from other states. This does not interfere with my private sales.

Remember if I don't do your business, I cost you no money. I know the importance of secrets in business, and not idly I will tell you what you want and are willing to pay.
