

Florence it was donated for the nominal consideration of \$1. Of the Sparnburg appropriation of \$30,000, there remains on hand \$18,251, which is too small for a building of the pretensions desired and a larger appropriation will be asked. From the Rock Hill appropriation there yet remains \$20,784, and the cost of the building is limited to \$45,000; that at Sparnburg to \$90,000. The cost of the Georgetown building and site is fixed at \$65,000, and of the first appropriation of \$45,000 there remains unexpended a balance of \$21,336. The cost of the building in Florence is put by congress at not over \$100,000, and of the first appropriation of \$45,000 there remains \$39,334.

Letter to R. J. Herndon,  
 Yorkville, S. C.

Dear Sir: Here's a bully one.  
 Mr. Dooley (not of Chicago), painter, Lancaster, N. H., got the job of painting the Episcopal parsonage. He used a paint as pure as Devoe, but weak and short-measure—he didn't know it was weak or short-measure. Dooley surveyed the job, and said it would take 20 gallons.  
 Mr. L. F. Moore, our agent, offered to give 10 gallons Devoe. Accepted of course.  
 Eleven gallons did it: the 10 plus one.  
 Mr. Moore isn't painting parsonages on shares this year! Yours truly,  
 F. W. DEVOE & CO.  
 P. S.—J. J. Keller & Co., sell our paint.

**A JOINT RESOLUTION** Proposing to Amend Section 9, of Article III, of the State Constitution, so as to Provide for Biennial Sessions of the General Assembly.  
 Section 1. Be It Resolved by the General Assembly of the State of South Carolina, That the following amendment to the Constitution of the State of South Carolina be submitted to the qualified electors of the State at the next general election for Representatives, and if a majority of the electors shall vote in favor of the amendment, and a majority of each branch of the General Assembly, shall after such election, and before another ratification of the same amendment by yeas and nays, Section 9, of Article III, of the Constitution, relating to the Legislative Department, be amended by adding after the word "place" in line ten of said Section, the words "until the end of the session occurring in 1906, after which the said sessions shall be held at the same time and place biennially;" so that said section as amended shall read as follows:  
 The annual session of the General Assembly heretofore elected under the Constitution of the year eighteen hundred and sixty-eight, to convene on the fourth Tuesday of November, in the year of eighteen hundred and ninety-five, is hereby postponed, and the same shall be convened and held in the city of Columbia on the second Tuesday of January in the year eighteen hundred and ninety-six, and thereafter annually at the same time and place until the end of the session occurring in 1906, after which the said sessions shall be held at the same time and place biennially.

 Those opposed to said amendment shall cast a ballot with the following words plainly printed or written thereon: "Constitutional amendment to Section 9 of Article III of the State Constitution, adding after the word 'place' in line ten of said Section the words 'until the end of the session occurring in 1906, after which the said sessions shall be held at the same time and place biennially.'—No."

 Sec. 2. That Subdivision II and Subdivision IX of Section 34, of Article III, of the Constitution, are hereby repealed.  
 Approved the 18th day of February, A. D. 1904.  
**A JOINT RESOLUTION** Proposing to Amend Section 1, of Article VIII, of the Constitution, Relating to Municipal Bonds Indebtedness.  
 Section 1. Be It Resolved by the General Assembly of the State of South Carolina, That the following amendment to Section 7, Article VIII, of the Constitution, be agreed to: Add as the end thereof the following words: "Provided, that the amount of the Limitations imposed by this Section and by Section 5, Article X, of this Constitution, shall not apply to bonded indebtedness incurred by the city of Greenville, but said city of Greenville may increase its bonded indebtedness in the manner provided in said Section of said Article: That no ballot exceeding fifteen per cent of the value of the taxable property therein, where the proceeds of said bonds are applied solely to the payment of bonded indebtedness, and for providing sewerage for purchasing, establishing, owning or operating waterworks or electric light plants."
