SOUTH CAROLINA NEWS.

An Oconee county jury on last Monday convicted Earle Rochester, a white man of murder in the first degree for killing Walter Mills, another white man. Both men were prominently connected and a large number of relatives were present at the trial. Walker, who ran as an independent candidate for supervisor of Greenville county, against Speegle, who had the regular Democratic nomination, was elected by an overwhelming majority. The voters felt outraged at the unfairness of the Democratic executive committee in declaring the result of the primary. The following dispatch was received from Mr. Ed. H. deCamp, editor of the Gaffney Ledger on Wednesday morning, too late for publication in The Enquirer's extra edition: "Complete returns from nineteen precincts out of twenty-two in the county give 1212 votes against the dispensary and 268 votes for the dispensary. There is no possible chance to change the result. On the other hand the majority for no dispensary is liable to be increased." Columbia special of Wednesday to the News and Courier: News was received here tonight of a double killing at Eastover, in the lower part of this county, the participants being Dispensary Constables E. L. Irbly and S. A. Phillips. According to the report received here the two men quarreled over an overcoat and both produced pistols, firing together. Phillips was instantly killed and Irbly lived for about an hour. Both were believed to be under the influence of whiskey. Columbia Record: The dispensary has turned over to the state treasurer about \$28,900. Sunday school in the amount representing the gross profits at the wholesale dispensary for several months. The money will be added to largely at the end of the fiscal year, which is November 30th, for the dispensary, and the whole amount will be distributed by the comptroller general according to the enrollment as stated in the last annual report of the state superintendent of education. The total number of pupils attending the schools will be divided into the total amount received from the dispensary and the number in each county will be multiplied by this result. The money will be distributed on December 10th.

Letter to W. P. Harrison, Yorkville S. C. Dear Sir: Three gallons saved is \$12 to \$15 earned. They say everybody has the same experience there. The reason is, of course: they are used to poor paint? Anything not Devco? Some worse than others. Besides, paints wear about as they cover. TIME TO SETTLE.

All Persons indebted to us either by NOTE or OTHERWISE, will please come in and settle, as we have obligations to meet. THIS MEANS YOU.

If we should attempt even the bare enumeration of all the different kinds of goods that we are carrying in our BIG STORE ROOMS and WAREHOUSES, the ink of our pens would run out long before the copy would fill columns of this newspaper. To cut the story short therefore, we will say that we have about everything that any reasonable man or woman would expect to find in a FIRST CLASS GENERAL STORE, and then we wish to ask our friends the public to follow us while we call attention to a few matters of especial and timely interest.

CLOTHING

We have already called attention to the fact that we have made greater efforts than heretofore to carry a FULLY COMPLETE STOCK OF CLOTHING. We have renewed our line of the FAMOUS STROUSS BROS' CLOTHING and have put in lines of HART, SHAFER & MARX and KIRSHBAUM'S goods. Hundreds of delighted customers have already been fitted and we are still prepared to fit almost anybody of whatever shape in whatever goods, ranging from \$10 a suit on up to \$18 a suit. Then of course we have much cheaper goods, ranging on down to \$3.50 a Suit. These clothes, especially those of the well-known makers we have named are made in the latest style and of as good quality as anybody can expect at the prices we will name. Along with complete Suits we have many numbers of ODD PANTS and COATS at Close Prices. In fact, in the matter of Clothing the customer should feel that we are prepared to take care of him and if he does not see what he wants, all he has to do is ask for it.

CHILDREN'S CLOTHING

We are positively headquarters for CHILDREN'S CLOTHES. We are prepared to fit anybody's child at any price up to \$5 a suit. The Mrs. JANE HOPKINS' CLOTHES are the best in the world for children. We have them. Hundreds of customers have already been fitted—hundreds more are coming in every day. We are prepared to take care of other hundreds still to come.

OVERCOATS

Our stock of OVERCOATS this year is the largest we have ever carried. It is the largest that anybody has ever brought to Yorkville. It includes all the best goods. We have all kinds of Overcoats—ordinary coats and real fine ones. We would call especial attention to the "CRAVENETTE." It is new on this market; but its reputation is established. It is light, dressy, warm and absolutely waterproof. The prices range from \$10 down to a \$19 coat ought to last the owner a life time. See our CRAVENETTES and see them quickly.

Lots of Blankets and Quilts

There is no need to sleep cold this winter while we have so many BLANKETS AT LOW PRICES. We have a tremendous stock, including a great variety. The prices range from \$7 a pair down. In times past we have gotten \$15 for a pair of blankets no better than we are now able to sell for \$7. Our line includes Colored Blankets as low as 75 cents. We have QUILTS from 75 cents up to \$2.00.

DRESS GOODS

Attracted by the claims we have made for our new stock of DRESS GOODS the ladies from all parts of the county are investigating the matter for themselves. We have never handled so many goods before, and the average quality has never been so high. Our stock was twice as large as it was last year. We have already sold more Dress Goods than we had last year. The indications are that our sales for the season will be three or four times what they have been up to this time. In the meantime, we still have many more merchants would consider a large stock and have more coming.

MILLINERY UPSTAIRS

Our MILLINERY DEPARTMENT is upstairs. Hundreds and hundreds of ladies are aware of the fact; but others still make inquiries down stairs. That is all right. The people down stairs are glad to give the information. But ladies in search of Millinery had better go upstairs, where they will find everything they could wish for. Miss Dawson is in charge and she is assisted by Miss Sander. These ladies have everything at their disposal and are prepared to give their customers whatever they might want.

WHOLESALE DEPARTMENT

Because of the nature of our business we have to handle goods in tremendous quantities. We are able to buy at the LOWEST FIGURES, and are always glad to give the retail trade the benefit of our facilities. Dealers will do well to see us about FLOUR, MEAT, SUGAR, MOLASSES, CORN MEAL, TOBACCO, BARBED WIRE and other things. We can always make low prices, and often our prices are as low as can be had anywhere, even in Baltimore, Richmond or Charleston.
