LIFE INSURANCE. Thirteen years ago it was predicted that the Farmers' Mutual Fire Insurance Company would be "busted" in less than twelve months; but it doesn't look like it now, when we have nearly \$300,000.00 in insurance in force.

FOUR years ago it was said that the FARMERS' MUTUAL LIFE INSURANCE COMPANY could not exist "more than a year or two, or until it had three or four deaths."

We have paid TWENTY-EIGHT death claims and have receipts for same and we have more than 1,000 members whose insurance is intact.

If any company can make money by insuring our lives, we can save money by insuring ourselves.

TAX RETURNS FOR 1906. Office of the County Auditor of York County, Yorkville, S. C., December 1, 1905.

As required by statute my books will be opened at my office in Yorkville on MONDAY, JANUARY 1, 1906, and kept open until FEBRUARY 20, 1906, for the purpose of listing for taxation all PERSONAL and REAL PROPERTY held in York County on January 1, 1906.

Particular attention is called to the fact that all real property must be reassessed during the period mentioned, and all property real or personal not returned, will be subject to a penalty of 50 per cent which will be added after February 20.

All returns must be made in regular form and it is preferable that they be made by the property owner in person to me or my assistant, direct, on blanks provided for that purpose. The returns must be duly sworn to either before me or my assistant or some other officer qualified to administer an oath.

All items of realty, whether farms, or town lots, must be listed separately, and no return which simply says, "same as last year," or "no changes," will be accepted.

Returns made on proper blanks, and sworn to before an officer qualified to administer an oath and forwarded to me by registered mail before February 20, 1906, will be accepted.

All taxpayers are particularly requested to inform themselves as to the number of their respective school districts, and where they have property in more than one school district, they will please make separate returns indicating the location of each piece of property. The school districts in which there are special levies are as follows: Nos. 29 and 33 in Bethesda; Nos. 9 and 40 in Broad River; No. 12 in Catawba and Ebenezer; Nos. 28 and 26 in Fort Mill; Nos. 11 and 33 in York.

It will be a matter of much accommodation to me if as many taxpayers as possible will meet me at the respective appointments mentioned above so as to avoid the rush at Yorkville during the closing days.
