"THE BEST ON EARTH"

Broad assertion, you say. Well, we can CONVINCe YOU without a doubt. We have just received a CARLOAD OF OLIVER CHILLED PLOWS, and we claim that they are the BEST ON EARTH. They are sold all over Europe, Asia, Africa, North and South America, and in fact wherever land is tilled. Now, as to their superiority over all other plows. That is admitted by all. When you hear this fellow, that fellow and the other fellow say anything about the plow he is trying to sell, he will invariably say, "It is as good as the Oliver." But no better, thus admitting that the Oliver is the BEST. So, when you buy a plow you will make no mistake if you buy an OLIVER. The Oliver is guaranteed against any flaws. Any part of an Oliver that breaks as the result of sandholes or other defects, is replaced FREE OF CHARGE.
