IDENTITY OF GEORGE PETERS. Associate Press dispatches from Roanoke, Va., told of the assassination of Rev. Joseph Easter in Carroll county, on the night of May 23rd, by one George Peters, an alleged illicit distiller, and the circumstance is possessed of local interest, because of the fact that the alleged murderer is probably a former citizen of this vicinity.

The circumstances with reference to the killing are to the effect that Rev. Joseph Easter had for some time been preaching a warm for the illicit liquor dealers, and the understanding is that he took it upon himself to secure information about them and report the same to the proper authorities. As the result he was called to the door of his home and shot to death. One George Peters, aged about thirty years, was charged with the crime, and a reward of \$300 was offered for his arrest. He was captured last Tuesday, near the scene of the crime, and confined to the Hillsboro jail in Carroll county.

The George Peters known here, has a brother in Yorkville, Mr. W. S. Peters, a self-respecting, law-abiding citizen, who is naturally very much concerned about the matter. Mr. W. S. Peters has for some days been telegraphing and writing to the sheriff and others in Carroll county, Va., with a view to getting definite information, but so far has heard nothing that can be of any use.

George Peters left this county about eight years ago, and his brother, Mr. W. S. Peters has had but little direct information since. His reputation here was that of an illicit liquor dealer, and it is this fact taken in connection with the name, along with the present statement that the prisoner is about twenty-eight years of age, which leads to the conclusion that there is very little doubt as to the matter of identity.

Monday the different departments of the college were open for inspection to a large number of visitors crowded them all between the hours of 10 a. m. and 1 p. m.
