A \$30,000 FLOWER

"Let me tell you about the Lawson pink," says Thomas W. Lawson. "I went into the flower shop and saw that pink, and I said 'How much?' The man said '\$30,000,' and I said 'I'd take it,' and put in my buttonhole and so walked out. The next day it withered, like all the pinks, but the story of it went around the world. I got at least \$1,000,000 worth of advertising out of that fool transaction of \$30,000."
