

AT THE CHURCHES. BAPTIST. Prayer meeting on Wednesday evening at 8.15 o'clock.

FIRST PRESBYTERIAN. Preaching tonight at 8.15 and prayer meeting tomorrow evening at 8.15.

ASSOCIATE REFORMED PRESBYTERIAN. Prayer meeting on Wednesday afternoon at 5.30.

Special Notices. Announcement. I beg to announce my candidacy for the United States Senate in the approaching Democratic primary, and respectfully solicit the support of the Democratic voters of this State.

Fourth of July Train Service. On July 3 and 4, the Carolina and North-Western railroads will sell tickets good through Monday the 6th, for one fare plus 25 cents for the round trip.

Mr. Rhett For Senator. Mr. R. Goodwyn Rhett, Mayor of Charleston, is a candidate for the United States Senate and will today file his pledge with the State Democratic executive committee to abide by the result of the primary.

Notice to Ice Consumers. Having decided to cease the custom of delivering ice on Sunday before certain hours, our customers will hereafter please provide for their Sunday wants by laying in such supplies as they may think necessary on Saturday afternoons.

It pays to use the Best Quality of Stationery—the other fellow judges you by the quality of your printed matter.

While Mr. Rhett's entrance into the contest was not expected it has been known that for months he has been urged to offer as a candidate by friends and admirers in all parts of South Carolina.

Mr. Rhett is well known throughout the State. He is now serving his second four-year term as Mayor of this city, having been re-elected last year without opposition and with the unanimous endorsement of the city Democratic convention.

It is an honor to have a man of his standing and a thorough student of economic questions. The "field" as it now stands, though some of the Whigs have not yet filed their pledges, is composed of Col. George Johnston of Newberry, Mr. E. D. Smith, of Florence, county executive John Cary Evans, of Spartanburg, and Superintendent of Education O. B. Martin, of Greenville, and R. H. Hester, Governor Hayward, on account of illness, having withdrawn.

Mr. Rhett is a lawyer by profession, having received his education at the University of Virginia and is president of the People's National Bank, one of the oldest national banks in the State. He has been active in Democratic politics since he attained his majority and is universally popular with the people of his county.

There is no office in the State where there is more intelligent discussion on the stump of the larger questions that affect the country, and will add to the disposition of other candidates to pitch the debates on a dignified plane worthy of the prize that is sought.—News and Courier, June 12.

IT MAKES NO DIFFERENCE. It makes no difference to the property owner who is not so unfortunate as to have a fire whether the company in which he is insured is safe, sound and liberal or not, whether or not his policy is properly written, except that he would save money by keeping the premiums he is paying an irresponsible, weak company, in his pocket.
