# Scraps and Lacts.

- After a dramatic scene on a rail way train at Omaha, Neb., on October 16, in which the door of his stateroom was burst open by a deputy sheriff, William Randolph Hearst, the millionaire editor, was served with papers notifying him that suit for \$600,000 had been brought against him for slander and libel by Governor Charles N. Haskell of Oklahoma. The sheriff was miral Sperry's flagship, the Connecrefused admittance by Mrs. Hearst, who stated that her husband had gone to send a telegram. The sheriff broke open the door with his shoulder and found Mr. Hearst within.

- Indianapolis, October 21: Additional Standard Oil letters are to be made public at the Independence party meeting in New York Saturday night, according to a statement made by William R. Hearst in an interview tonight. He declared they are better than any thus far given publicity and that he had saved them for the finish of the campaign. Mr. Hearst denied a story recently published that he had letters from Mr. Archbold to Senators Aldrich and Penrose. "The fac is," said Mr. Hearst, "that I have no letters from Senator Aldrich. I have a letter written by Senator Penrose to Archbold in which he speaks about an appointment with Senator Aldrich, but this is the only letter I have in which Aldrich's name is mentioned. give our thoughts to matters other which the bird, the beast and the rep It is not strange that I have no letters from Archbold to Aldrich or from Aldrich to Archbold. There was no necessity for their writing to each is one of the head men of the Standard Oil company, and not a mere underling. That accounts for the absence of letters."

- Philadelphia, October 21: An unusual challenge to test the effectiveness of vaccination was issued at the opening meeting of the National An ti-vaccination conference, which will representatives present from state and national organizations opposed to compulsory vaccination and other enforced medical practices. Dr. Rudolph Straube of Philadelphia in an address challenged Dr. Samuel Dixon, head of the Pennsylvania health dewith him-a smallpox patient to lie between them-in order to prove the benefit in preventing the spread of that desease. Dr. Dixon, Dr. Straube says, has been vaccinated several times, while he (Dr. Straube) has never been inoculated. In the event of Dr. Dixon's refusal to accept the offer, Dr. Straube said the challenge would be open to Dr. Joseph Neff of the health department of Philadelphia. At the conference a national organization will be formed to conduct a campaign of education throughout the country, and an ef culosis and cancer are directly due The proposed organization will take the ground that all pressive, if not actually unconstitutional. Many prominent persons interested in the movement are attending the sessions.

- Tokyo, October 21: The and ball given this evening in honor his residence brought together about 1,500 prominent persons, including all the American officers, who were invited to the ball. The guests at the dinner, however, were confined to positions. official ier Katsura proposed the health of President Roosevelt, American Amby the premier was responded to by Rear Admiral Sperry. The ball was the most brilliant function of the week and brought American and Jap can officers danced with wives and Premier Katsura proved other embassies and legations. Tomorrow 4,000 sailors from the fleet will come to Tokyo to attend a gargiven by Y. Osaki, mayor of Tokyo. At the same time the officers will be entertained at luncheons given by the mayor and by Prince Shimadazu, later attending a garden party at the Britalso will be entertained at the home ticers of the fleet will attend a theatrical performance at the Kabuki Tokyo, the bankers' association being

Sperry through Admiral Emory relic of Commodore Perry's visit to Japan. On the same evening a reception to the American officers will sent at this function, as well as at a smoker which will follow the more formal entertainment. On the last day of the fleet's stay at Yokohama a reception will be held aboard Adticut, followed by a dinner,
