Young Hadley Knew Why.-This story was told at Princeton the other day, while the trustees were discussing the renewed offer by William Cooper Procter of Cincinnati to give half a million dollars to that university if the conditions to which President Wilson had objected were finally accepted. The application may be made by the reader.

"The little son of President Hadley must stop, because his father wanted his bath. He very reluctantly complied and went out on the pavement A moment later a total stranger to the entire Hadley family came along, and the boy stopped her.

to take his bath today,' said the young-"'And why not?" asked the aston-

ished lady

After the Lecture.-The lecture was the audience out of the hall to gather impression he had made. As he drew near the doorway the old gentlemen who were making their way out just ahead of him rendered a verdict. "Well, Bankside," said one of them

"what did you think of it?" "I've heard worse," said Bankside, "Did you think it was at all illuminating?" asked the other.

"In an old-fashioned way, yes," plied the venerable Bankside "I don't quite eatch your point," said the questioner.

"Why, it was illuminating, but i struck me as having more gas than electricity about it," explained the critic.-Judge's Library.

Overheard on the Stairs.-A Wash ington man inadvertently overheard some tender exchanges between a recently betrothed couple, who, it chanced, attended some social function at the national capital to which the aforesaid Washingtonian was also asked. It was on the stairs that the happy

whither he had gone to get his coat.

me but twenty-four hours ago!"

seems as though it were but yesterday!"-Lippincott's.

The Motor Was Working Well .--Canadian lawyer tells this story

A baliff went out to levy on the con tents of a house. The inventory began in the attic and ended in the cellar. When the dining room was reached the tally of furniture ran thus:

"One dining room table, oak, "One sideboard, oak.

"Two bottles whisky, full." Then the word "full" was stricken out and replaced by "empty," and the went on in a hand that straggled and lurched diagonally across the page until it closed with:

"One revolving doormat."-Every body's.

Non-Royal Headgear.-One of the attaches of the American embassy a London tells a story wherein Michael Joseph Barry, the poet, who was appointed a police magistrate in Dublin was the principal figure.

There was brought before him an Irish-American, charged with suspicious conduct. The officer making the arrest stated, among other things that the culprit was wearing a "Republican

"Does your honor know what tha means?" was the inquiry put to the court by the accused's lawyer.

"It may be," suggested Barry, "that it means a hat without a crown."-Harper's Magazine.

In a Nice, Cool Sewer .- It was a ho evening following a regular scorcher of a day, and Casey and the family were sitting out on the front porch trying to keep cool. "Sure 'twas an awful day in the

kitchen," said Mrs. Casey "I have t' smile when I hear ye con plainin' about the heat, for, as a matther iv fact, ye don't know what hea is," said Casey.

"Oh, don't I now?" said Mrs. Casey "Sure I'd change places with you any day, for while I'm workin' over a ho cook stove all day, I'm thinkin' iv th' fine picnic you're havin' workin' down there in that nice, cool sewer."-National Monthly

Recompense. - Aunit Bewildering Martha laid down her weekly newsyaper, and, assuming a pensive attitude addressed her husband

"Josh," said she, "I don't see how it is some folks git paid a lot of money for not liftin' a hand. As an example this paper tells how a certain celeappearin' at a concert in Chicago!"

"I've read sech things afore, and they keep me a-scratchin' my head, too!" rejoined Uncle Josh, with a sigh "Why, only a couple o' weeks ago I read where a well-known prize fighter was offered \$10,000 simply to meet another fighter in his own taown!"-Lippincott's.

The Major's Value.-Gen. W. H. Lemon of the Grand Army of the Repub-"Major Bunks," he said smiling, "was

a pompous chap. The boys had a good deal of fun over his exchange. "It seems that on a very dark night a stalwart Confederate took the major prisoner. This fact, together with the prisoner's return to camp, was sig-

nalled to headquarters tersely: "Major Bunks, captured during night march. exchanged later for two plugs tobacco." "-Minneapolis Journal.

Cheaper Than Paying Rent. - A Cala woman of his acquaintance met hin one day on the sidewalk with a cigar

box under his arm. "Mr. Clemens" she said, "whenever I see you, you're carrying a cigar box. Aren't you smoking too much?"

moving again."-Everybody's.

Chalmers-Detroit

sure evidences of its superiority is the fact that its builders are unable to come anywhere near supplying the de mand for Chalmers-Detroit cars. We have just received another Chalmers-Detroit 30, and will be pleased to have In January, 1910, the first normal bulletin of crop statistics modelled on ful machine. Let us demonstrate its superior qualities—its smooth, quiet running and hill climbing power. All roads look alike to the Chalmers-Detroit. Be sure to see it.
