Gains Forty Pounds in Forty Days. Remarkable Results of the New Tissue Builder Bloodine. In Many Cases of Run-down Men and Women. Prove It Yourself by Buying a Bottle of Bloodine Now.

"By George, I never saw anything like the effect of that new treatment Bloodine for the building up of weight and lost nerve force. It acted more like a miracle than a medicine," said a well known gentleman yesterday in speaking of the revolution that had taken place in his condition.

Bloodine is a powerful inducer to nutrition, increases cell-growth, makes perfect the assimilation of food, increases the number of blood-corpuscles and as a necessary result builds up muscles, and solid healthy flesh, and rounds out the figure.

For women who can never appear stylish in anything but the best, and whose thinness this remarkable treatment may prove a revelation. It is a beauty maker as well as a food for the nerves and strengthener.

Bloodine costs 50 cents for the usual \$1.00 size bottles. Mail orders filled by the Bloodine Corporation, Boston, Mass.
