All well posted physicians agree

that people generally give too little attention to their teeth for the sake attention to their teeth for the sake of their health. There are hundreds of children whose teeth are never orushed, whose teeth are decaying long before they should, and whose health is badly impaired by an unclean mouth. The cheapest teeth insurance is a good Tooth Brush and a good Dentifrice to clean the teeth properly and free the mouth and decayed teeth from bacteria. Keep the teeth of the children clean and there will be less probability of their contracting infectious diseases. Come and see us for Tooth Brushes and for will be less probability of the will be will be less probability of the will be will b
