- Lexington, Ky., April 17: Lawless ness was triumphant in Jackson, Ky. the seat of Breathitt county, on Saturday night, according to persons arriving here by train late today, who brought the first news of the disturbance. Friends of Jason Deaton, who was killed in a feud fight with the family of Anse White a week ago, family of "shot up" the town in western border style, according to reports, riding very much benefited by it. through the streets and firing pistols into houses indiscriminately. No one

was hurt according to the information brought here, but as a consequence of the raid the guard about the jail, in which members of the White family are held, has been increased. Reports continue current that the Deaton fac-tion is planning to raid the jail in an effort to wreak summary vengeance on any particular. It arises out of the the Whites. The persons who gave the information of the situation asked that their identity be kept secret as they feared the effect upon them on their return to Jackson. They also said rily imperfect. Do not let it be underthe newspaper correspondents in Jackson dared send out any such items to outside points. plates injustice, because this is not the unspendents of the occurrence by wire, as plates injustice, because this is not the unspendent of the law is as perfect as justice itself; but that in-

- Chicago, April 19: Two men met oday at the inquest over Michael H. Ahern, 83 years old, a former real esits complete vindication. tate dealer of Creston, Iowa, and learned that Ahern for fifty years had

been the father of two large families, neither of which knew the existence of the other. At the inquest each of the two men stepped forward and identified the body as that of his father. A conversation between the two con-vinced both, however, that each was Ahern died suddenly at a Chiago hotel on Tuesday. The sons who met today for the first time are William Ahern, 60 years old, who lives in Chicago, and Matthew Ahern of Cres-ton, Iowa, 40 years old. William Ahern declared that his father had left wife with four small children in Ireland fifty years ago, and had come to America. The younger man, taking up the story, said his father had married in Galesburg, Ill., in 1865 and seven children had been born, all but one of whom still are living in Illinois and lowa. His mother, he said, had been dead for nine years. The elder man then told of coming to America with his mother, who still is living, after the four children had become of age.

and finding the father in Chicago. Ahern divided his time between the two families, keeping each in ignor-ance of the other. - Washington, April 20: Congress i

in no temper to meddle in the internal of Mexico and in the senate a majority on both sides of the chamher will endeavor to prevent open dis-cussion of the travail through which the Mexican republic is passing. This was made clear today following a speech on the Mexican situation by Senator Stone of Missouri, who advo-cated the empowering of the president

to use the army and navy in any way he might see fit to protect American lives and property on the border and coasts. The Stone resolution was referred to the foreign relations commit tee, where, judging from today's events will not soon be acted upon. Senators Cullom, Bacon, Root and Lodge, all members of this committee, immediately joined in deploring the pub-lic discussion of a sister republic's troubles. Several other senators took

the Missourian sharply to task for the tenor of his remarks. "I want it un-derstood," said Senator Bacon, "that the views of the senator from Missouri ore not university abased here. For are not universally shared here. For sider an armistice. "I will give Diaz twenty-four hours to resign, he said one, I cannot go to the extent that the senator does in regard to the power to to a delegation of El Paso and Mexibe vested in the president. To give him power to use the army as he may can citizens that called on him in his camp in the hills near Jaurez and asksee fit is in itself a declaration of war, ed him to consider peace terms. This assertion was also a reply to Gonzales and the time when such an extreme course should be resorted to has not Garza, secretary general of the revo-lutionary junta, who carried a mes-sage from Dr. Gomez in Washington, arrived." Mr. Root was even more emin his disavowal. "Granting that injuries had been done to the lives and property of American citizens that asking for a delay in the attack.
