SHARON SHAVINGS

Town In a Building Mood and Is Contemplating Big Things.

Correspondence The Yorkville Enquirer Sharon, August 29.-The Hill Banking and Mercantile company has de cided to build a new home for its business and when completed it will be the largest, most convenient and sub-stantial building occupied by a single mercantile establishment in this part of the state, its dimensions being 65 feet front, 120 feet long and four stories high, including the basement. While it high, including the basement. While it is a fact that plans and specifications have not as yet been fully worked out by an architect, still Mr. Hill has his mind pretty well made up as to the general arrangement of the building. The major portion of the brick, about 500,000 will be required, have already been burned and the balance will be ready by the time they are needed, and all of them will be made by Mr. Hill, within the incorporate limits of Shawithin the incorporate limits of Sha-ron. The work of hauling sand has been in progress for sometime and the actual work of building will start during the next few days, the first thing being the digging of the basement, provided the weather continues favorable otherwise it will be postponed. Mi Hill also expects in the near future to erect a handsome and commodious

The contract for erecting Sharon's is now engaged in doing necessary pre-liminary work, and hopes to com-mence laying brick tomorrow. The liminary work, and hopes to commence laying brick tomorrow. The building complete, including furniture, is exnected to cost about \$6,500. The school grounds, recently donated by Mr. Hill, and valued at about \$800, are not included in the above estimate.

Mr. S. B. Pratt has about finished the brick work on his two story store building. 70 by 27 feet, on the same lot occupied by the frame store building occupied by the frame store building he has been occupying since he first came to Sharon. The work has been done "by the day," under the personal supervision of Mr. Pratt and the first brick was laid on the afternoon of Au-

brick was laid on the afternoon of August 10.

Mr. John L. Rainey has awarded the contract for erecting a one story brick building, to contain two store rooms on his lot on the west side of Shelby street, to Mr. Sam McCall of Clover. It is the understanding that work on this building will be commenced on next Monday, September 4.

Shannon & Hope have recently moved into their handsome new two story brick building on the west side of Shelby street.

It is safe to say that no town in the It is safe to say that no town in the state, save some that may have been burned up by a conflagration, has come so near being rebuilt as has Sharon during the past two years. On the first day of July, 1909, there was not a brick house of any kind in the town, and since that time, commencing with the bank building and store room of Mr. R. H. G. Caldwell, nine have been completed and are peing occupied, while four more are either in course of construction or will be during the next two weeks. two weeks.
