LIMIT your spending

AND SAVE THE BALANCE, IS A MUCH BETTER WAY THAN TO LIMIT YOUR SAVINGS AND SPEND THE BALANCE.

It is surprising how quickly you can create capital when you go about it in the proper way and with the right determination. With some capital set aside, you are ready for business opportunities which will surely come to you.

Now while your earning power is intact; now while the "Hay maybe decrepit, if you have not saved wisely and invested judiciously, you will look back with many an "if," and a "but."

Give Our Bank the opportunity to assist you as we so well can. With our Strong Vaults and wonderful Burglar Proof Safe, with the Careful Supervision, Your Money Will Be Safe.
