Fountain Pens Just The Same

If you do any writing, come and let me FIT YOUR HAND with a sure enough Fountain Pen—one that will give you entire satisfaction. I have them in all sizes of styles and in quality, and at very moderate prices. REPAIR WORK. If you watch is out of repair bring it to me for Cleaning and Repairing. A watch that will run at all, or runs spasmodically, is worse than no watch at all. Bring me yours and I will put it in shape to keep time correctly. Or perhaps it is your Clock that is out of joint, won't run or will not strike properly. I can fix Clocks too, and the cost is very modest. Or perhaps you have some broken Jewelry, a brooch, a pin, a ring, a buckle or something of the kind, that you want repaired. Bring it, too, you may as well be using it as leaving it in a box or drawer doing nothing. T. W. SPECK, The Jeweler.

Work is Honorable in Every Land and in Every Clime

AND MAN IS NEVER MORE INNOCENTLY EMPLOYED, THAN WHEN HE IS HONESTLY MAKING MONEY. One man has said that "Poverty is a crime," and this is no doubt in a measure true, when it is caused by one's pleasure in idleness. Employment is an honor, if it is the innocent kind. If it is not of that kind, it would be well to change your vocation. While it is honorable to be employed, it is also honorable to SAVE. People who are honest, but who are not saving, are not really honorable, but they are not really saving. We would not say to SAVE, just for the sake of money; but in order that you may be sure of more value to the world. "Let me do all the good I can as I go through the world, for I will pass this way but once," so said one good man. This can only be accomplished by our best efforts.
