\$300,000 in Less Than 1 Hour

On Sunday, February 2, the "Park in the Pines" Hotel in Alken, S. C. was discovered to be on fire. The fire was discovered at about 11 o'clock, a. m., and by 12 o'clock the magnificent structure and contents, including several thousand dollars belonging to guests, was destroyed. The loss is estimated at \$300,000. These two fires are mentioned to impress the fact on the minds of those who have not been so unfortunate as to have a fire that property centred to burn just the same as it always does, and while no individual who reads this, may stand to lose so much as was involved in either of these fires, still the loss would fall just as heavy, and perhaps heavier on many who had a house or stock of merchandise burned without insurance. In view of the fact that I represent a dozen time-tried and fire-proof companies, that for a comparatively small sum, will stand between property owners and the possibility of being wiped out by fire or a tornado, I would like to see you, and give you wisdom to continue without adequate protection of this kind. Attend to it today. Tomorrow may be too late. SAM M. GRIST.

Chester, S. C., February 1st 1913. Mr. D. E. BONEY, Yorkville, S. C. Dear Sir: We enclose, herewith, policy No. 789 on the life of James B. Lee, for \$10,000.00. This policy was paid in full and accepted by the beneficiaries. Your excellent Company has by its promptness in this case demonstrated its reliability and ability to apply protection to the interests of its members, and we beg to thank you for your kind and prompt attention to this claim. Very truly yours, GASTON & HAMILTON.
