Saved His Foot. H. D. Ely, of Bantam, O., suffered from horrible ulcer on his foot for four years. Doctor advised amputation, but he refused and reluctantly tried Bucklen's Arnica Salve as a last resort.

Oysters and a Salad. Course will be served from 3.30 to 10 o'clock at McConnellville High School on Tuesday, November 26th, for the benefit of the Basket Ball Team.

Nervous and Sick Headaches. Torpid liver, constipated bowels and disordered stomach are the causes of these headaches. Take Dr. King's New Life Pills, you will be surprised how quickly you will get relief.

To My Many Friends. Allow me to thank you, one and all, for all your kindness to me and my family in our sad misfortune of the loss of our only son. There is no place on earth where the hand of sympathy extends further in the hour of affliction than in old York.

A Consumptive Cough. A cough that bothers you continually is one of the danger signals which warns of consumption. Dr. King's New Discovery will stop it at once, loosen the chest, banish fever and let you sleep peacefully.

FEEL RIGHT ALL THE TIME. Don't Let Periodical Spells of Lazy Liver Ruin Your Temper and Spoil Your Work.

If your liver doesn't behave right all the time—if it sometimes stops working and you become bilious and "headachy"—don't take alone, but try Dodson's Liver Tonic.

You are safe in taking Dodson's Liver Tonic. It's a harmless, reliable vegetable remedy that starts the liver without stirring up your whole system as calomel often does.

AT THE LYRIC

"THE BEATEN PATH" Is the title of the interesting Three Reel Feature we are to present TONIGHT—FRIDAY.

It is a story of the complications growing out of a land quarrel—a boundary dispute, involving shattered friendship, hate, revenge, love, and extending over a generation, and paints a powerful moral to those who will take the pains to watch it closely. It is of absorbing interest even to the superficial observer.

SATURDAY—"In Search of Quiet," a Comedy; "Sailing Under False Colors," another Comedy, and "The Little Skipper," a pretty Little Drama.

We are Disinfecting the Theatre every morning, and using means to keep down any unpleasant odors from the disinfectants.

The Programme for next week has not been received, but the pictures, coming from one of the best houses in the business, will be good.
