THE COURTHOUSE LOCATION Citizen of Bethel Wants Light Things He Does Not Understand. ditor of The Yorkville Enquirer:

With your kind permission, I desire space in your paper to publicly ask a few questions on which I desire light for myself and the public. To the courthouse commission:
Why do you not build the new courthouse on the F. E. Smith lot, when you are offered the same without cost to the county?
Why are you unwilling to accept the offer of Dr. R. A. Bratton to give you a suitable lot and \$6,000 in cash for the present lot?

building to a few citizens of Yorkville than you have since appeared to be to submit it to a larger number? Why should all the people not be allowed to vote on the question?

Would it not be a wise thing to accept the F. E. Smith gift lot, build on it and then sell the present lot for 16,000 or any other reasonable sum, and use that money either on the public roads or making such improvements as are commonly being held as necessary at the county home?

I am asking these questions solely

Dodson's Liver Tone is for both grown-ups and children. It has a pleasant taste, and is safe and reliable. The price is 50 cents for a large bottle, and your 50 cents back to you if you tell the York Drug Store that it hasn't been a benefit to you.

Men mean well enough; they know the value of hav-ing money in the Bank, but they haven't learned the knack of sav-They have not learned the trick of making one dollar do the work of two in buying, and laying the other dollar away against a rainy day that is sure to come. So it often happens that if the wives and mothers do not save there is no saving done, and when trouble

comes, the family is like a rudderless boat in a storm at sea. EVERY WOMAN SHOULD RUN A BANK ACCOUNT THIS BANK pays particular attention to the accounts of women. No matter how small the deposit may be she receives the same careful consideration that is bestowed upon the largest depositor.

Loan and Savings Bank

Is a SAFE BANK. It is a STRONG BANK—one of the STRONG-EST in the country and in there is SAFETY. S. M. McNEEL, Prest.
