#### 'Best Fire Medicine'

About a year ago, I accepted the agency of the Pyrene Fire Extinguisher for York county, and announceed the fact in an advertisement in The Enquirer, and explained what the exinguisher would do, and also announced that the insurance rate on all au-comobiles carrying Pyrenes would be reduced 15 per cent, but to my sur-prise, sold comparatively few, and quite naturally, I think, came to the conclusion that owners of burnable property either doubted the claims made for the Pyrene as a fire ex-tinguisher or attached no importance to being in position to extinguish incipent fires. I sold two Pyrenes to the Clover Cotton Manufacturing Co, They were installed in the picker room. Following unsolicited letter was received March 20, from Mr. M.
