LIFE

T CAN BE A SUCCESS OR A FAIL-VRE. WHICH WILL IT BE WITH Look at the men who are successful in the eyes of the world. Ninety-nine out of every hundred started a Bank Account when they were young—and stuck to it.

And now, look at the failures. Very few of them have a Bank account new. Not speaking of when they were young. Perhaps you think you have not enough money to start an account. Haven't you a dollar? That's all it takes at THIS BANK. Just try it for a year or six months. If you do not wish to continue it you have lost nothing by the trial.

Which Will it Be—Success or Failure?
