

WILL APPEAL TO WOMEN

Plan to Help Reduce the Cost of Living.

Attorney General Palmer and his official associates in the fight on the high cost of living, have determined to enlist the aid of the women of America.

By appealing to the comptrollers of household finances throughout the country, it is hoped to inaugurate an epoch of real economy which will offset the "buy now" propaganda of trade people.

Another important decision taken at the meeting was to release more surplus supplies held by the government, if it can be done without embarrassment to the departments involved.

Indicative of the broad scope which Mr. Palmer's efforts are taking was the request of Chairman Payne to release any surplus building materials which he has on hand, especially lumber needed for home building.

Need of Cooperation. Cooperation of the housewives has been the subject of extended conferences between H. E. Figg of the department of justice and Mrs. Edward F. Costigan, who offered the government the full resources of the Consumers' League and the League of Women Voters in the campaign to take the inflation out of prices.

In undertaking to stimulate a patriotic refusal to be stampeded into buying new clothes simply because the designers change the style from six to eight times a year, the speakers, it was said, will point it that from 8 to 35-per cent. is charged for the style itself and that a proportionate amount will be saved by reducing the style changes to a reasonable number.

To Prepare Plan. Mr. Palmer and Director Clarkson of the council of national defense will confer soon on how best to reach women by printed appeal similar to those used by the food administration. The council's affiliated state organizations will assist.

The first complete official report of what has been accomplished so far by the use of such laws as were available was given the conference by Mr. Palmer showing that there have been 86 cases of actual seizures under the food control act, with 22 cases still under investigation.

LANDS OF ESTATE OF F. W. McELWEE AT BARGAIN PRICES

DESIRABLE FARMS IN WESTERN YORK This Property Has Been Placed in My Hands for Sale, at Remarkably Low Figures and I am Going to Sell It.

In all there are 622 ACRES—the Old Home Place of 504 ACRES in Broad River Township, and 118 ACRES near New Zion, in King's Mountain Township. THE HOME PLACE as it stands, includes 504 ACRES, on which there is a good eight-room dwelling house, a large barn and three first-class tenant houses, with necessary outbuildings. The place has been only partly cleared, and there is on it quite a lot of fine Saw Timber and Firewood, sufficient for generations to come. Also there is a large proportion of bottom land, and enough pasture for an A-No. 1 Stock Farm, of large proportions. Lacking a quick buyer for the place as a whole, the way it ought to go, I have had the whole plantation surveyed into Four Farms as follows: 1. THE HOME TRACT with residence, barns, tenant houses, cotton and corn fields, bottoms, pastures and timber, containing about 260 ACRES. The buildings alone cannot be replaced for what I am asking for this tract. 2. ABOUT 75 ACRES, on the Chester road, with about 20 acres of good fresh land open for cultivation and the balance in timber. 3. ABOUT 108 ACRES, on Chester road, with one horse farm recently cleared, and balance in timber, much of it original forest, easily capable of yielding enough first-class lumber to pay all I ask for the whole tract. 4. About 60 ACRES of upland and bottoms, with plenty of timber, but no king's. It is cheap.

IN KING'S MOUNTAIN TOWNSHIP

A TRACT OF 178 ACRES, near New Zion church in King's Mountain township. There is a good 5-room house on this tract, which is partly cleared, but still has plenty of timber. Whether as a home or an investment this is good money for somebody.

I MEAN BUSINESS

THE OWNERS OF THIS LAND want to sell it and they have turned it over to me for that purpose. They have given it to me at prices that are reasonable and fair and I am going to turn it loose. I would rather sell the whole business to one buyer; but if the right man does not come along quickly I am going to let it go in separate tracts. People who are looking for homes, or for a profitable investment, are advised to get busy with their investigations at once. The terms are CASH. See the land and then see me.
