But Not So Bad if You Know How to Reach the Cause.

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. York people recommend Doan's Kidney Pills. Ask your neigh-

Mrs. W. A. Thompson, Cleveland Avenue, York, says: "Some years ago I suffered with inflammation of the bladder and kidney trouble. I certainly suffered terribly with those pains in the small of my back. My back ached, so I could hardly stand the pains and my head felt as if it would split. Ner-yous and dizzy spells came on and I was all unstrung. Little black speeks would float before my eyes, blurring my sight. My kidneys acted irregularly and I couldn't get any relief. I heard about Doan's Kidney Pills and bought two boxes of them. As soon as I took them, I could see a great change and after I had finished the two boxes, I felt better."

Price, 60 c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Thompson bad. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Don't Blame the Agent

IF YOU HAVE A POLICY on your life with which you are not entirely satisfied, do not blame the Agent that sold it to you, because YOU are to blame YOURSELF and not the Agent. You have been reading our advertise-ments in The Enquirer for years past. and instead of heeding our suggestion to "Look Before You Leap," YOU leaped without looking. We have asserted unconditionally at short intervals in these columns during the past 21 years that the Mutual Benefit was the BEST Company in Business, and asserted that we COULD PROVE IT to the satisfaction of any one who cared to investi-gate. Scores have investigated and not

one has been disappointed.

There are now about 1,000 Mutual Benefit policies in force in York county and every policy holder is Satisfied. We are always pleased to show our goods, and we have never yet tried to force any one to apply for a policy. SAM M. GRIST
