Do It Now! If you are so much as thinking of buying Furniture, House Furnishing, Stoves, Ranges or Floor Coverings, we just want to whisper in your ear that RIGHT NOW is one of the best times you ever had to buy anything in this line that you may need. Our stock is very complete—most too complete for us—and if a customer comes into our place having a half formed idea that he or she would buy a given article of furniture "if the price is right," take it from us that they seldom go away without buying. You are familiar with the qualities of goods we sell. And this with the prices that we are naming for the "Cash" usually means a sale right quick. And too, we have really been surprised since the first of the year at the number of furniture sales we have been making. Our Prices Are What Is Doing the Trick. Suppose you come around and take a look over. York Furniture Co.
