THAT BAD BACK
Do you have a dull, steady ache in the small of the back—sharp, stabbing twinges when stooping or lifting—distressing urinary disorders? For bad back and weakened kidneys York residents recommend Doan's Kidney Pills. Read this York statement.

Mrs. R. L. McKnight, Cannon Mill, says: "Kidney trouble came upon me very slowly, but before I realized it, it had a pretty firm hold on me. My back began to pain and ache, something awful and sharp, shooting pains, would catch me every time I stooped over. Dizzy and nervous spells would come over me and millions of little colored specks floated before my eyes, blurring my sight. My kidneys didn't act right and caused me a lot of annoyance. I was in pretty bad shape when I began using Doan's Kidney Pills. The first box helped me so that I continued using them and another box completely cured me."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. McKnight had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THE SUPERIORITY of our Ice Cream is in the Quality. No Ice Cream made anywhere ranks higher in QUALITY than the Ice Cream we manufacture here in ROCK HILL.
