READJUSTMENT SALE

B E G I N S

Saturday, July 2nd, Closes Saturday, July 16th

There will be plenty of Bargain counters in this sale--the buying power of your dollar will skyrocket upward and the prices will descend as do the rocket sparks. There have been thousands of business failures over the country, many factories have been caught with vast quantities of goods on hand and the stock of bankrupt merchants and overloaded factories have been thrown on the market at prices far below real values. Our Mr. Feinstein on the Chicago market is constantly on the lookout for high values at low prices and he has been reaping them in and sending them to us and the goods for our annual summer sale have been coming in for several weeks, and the Bargain Carnival is now to be yours. Read our prices, see our goods, then judge for yourself and see if our offerings are not bigger than your dollars ever were. We want your business, our goods and prices will merit it. Give our prices the once over.
