

AMERICAN LEGION NEWS

Conducted by Lewis M. Grist, Publicity Officer, Meech Stewart Post, No. 66.

Enjoyed the Meeting.
Referring to the recent get-together meeting held by Meech Stewart Post No. 66, State Commander Morris C. Lumpkin of Columbia, writes: "I enjoyed my little trip to York immensely and I wish to congratulate the members of your Post on the splendid meeting you had."

Club for Fort Mill Men.
Members of the Ballies Post of the American Legion in Fort Mill, have organized a social club composed of ex-service men, and have rented the building on Claborn street, formerly occupied by the Fort Mill Times office, for their club rooms. The building is to be renovated and repaired at once and otherwise made attractive for the use of ex-soldiers. The members of the club are anxious to have the public become interested in the organization, and will welcome the contribution of pictures, books, magazines or furniture to assist them in making the rooms inviting.

Sharon May Have Legion Post.
Clyde Plexico, well known ex-service man of Sharon, is considering the idea of organizing a post of the legion in that town. According to Mr. Plexico there are some thirty or more white ex-service men in Sharon and vicinity who are eligible to membership in the American Legion, and he thinks that it is quite practicable to obtain a post there. Several ex-soldiers of Sharon are members of the post in Yorkville, but because of the fact that they are so far away do not often get opportunity to attend meetings of the local post and enjoy the benefits of the Legion Club rooms.

Frank Roach Post Held Show.
Frank Roach post of Rock Hill, recently presented an amateur entertainment, "The Microbe of Love," in that city, which was well attended and put a substantial sum in the hands of the post finance officer, according to Adjutant Hiram Hutchison.

Still Recording Discharges.
Clerk of Court T. E. McMackin is still recording the discharges of many ex-soldiers of York county. The clerk of the court wants to record them all. If you send your discharge to the clerk and don't get it back in a week or ten days don't fear that it is lost. This is the busy season in the clerk's office. Your discharge will be well taken care of and returned to you just as promptly as possible.

To Elect Next Month.
Meech Stewart Post No. 66, will elect officers for the year 1922 in January. The exact date for the meeting at which officers for another year are to be elected has not yet been fixed; but it will be announced at an early date. It is to be hoped that there will be a large attendance of members of the post at the meeting of election and that a live set of officers will be elected for another year.

Fort Mill Post Elects.
Eli Ballies Post, No. 43, of Fort Mill, has elected the following officers to serve the post during the ensuing year: Commander, Brie D. Culp; vice commander, E. B. White; adjutant, W. B. Ardrey, Jr.; historian, F. M. Mack; sergeant, Oscar Hammonds; treasurer, W. B. Meacham, Jr. A chaplain for the post will be elected at a future meeting.

Rock Hill Elects Next Month.
According to Commander Perry Gill, Frank Roach Post of Rock Hill, will elect officers for ensuing year early in January.

War Tax on Legion Shows.
The national legislative committee reports that the new revenue act just signed by the president, includes a provision to the effect that where an exhibition of any kind is given by the

legion or similar charitable institution, where no private interest receives a portion of the receipts, but the entire proceeds go to the legion, no war tax shall be paid. The law goes into effect January 1st, 1922. Another recognition of the legion's purposes.

News Service.—"Do you take a daily newspaper?" asked the visitor in Poke Ridge.
"No'm," answered Hank Darby's wife, "we don't need to. We live right next door to old Miss Peabody. She brings in all the neighborhood news once a day, and if anything speshul happens, she puts on her sun-bonnet, and gits out an extra edition without delay!"

Long-Distance Shooting.—The new night-watchman at the observatory was watching some one using the telescope. Just then a star fell. "Bogorra," he said to himself, "that felly sure is a crack shot."—Toronto Gohlin.
