- Bishopville, March 21: Some 300 or Rev. P. H. Roach will preach at the Charlotte Street Baptist church Suncourthouse here Sunday afternoon for the purpose of organizing a law enforcement league. This meeting was the outgrowth of the meeting held last week by the women of Bishopville, at launched to suppress the sale of liquor

which time an active campaign was and alcoholic drugs in Bishopville and Lee county. The meeting Sunday was presided over by Thomas G. McLeod, and the obejct of the meeting was explained by Mrs. M. P. Harris. The chairman called upon each of the ministers of the town and also several. Much satisfaction was excitizens. pressed by the speakers at the large gathering which plainly demonstrated that the citizenship of Lee county is opposed to law violations, and that they mean to cooperate with the officers of the law in their effort to put the bootlegger out of business. A resolution offered by D. A. Quattlebaum to the effect that a law enforcement league be organized was adopted. Mr. McLeod was chosen as the chairman, with the request that he appoint the necessary committees and arrange for further meetings in the future.

-The United States supreme court has dismissed for want of jurisdiction the appeal of Carlos Corbitt, who is alleged to have shot and kifled Jule Cooper, Hugh Fanning and one other man in Orangeburg county, from the man in Orangeburg county, from the decision of the supreme court of South Carolina that it was not a violation of his constitutional rights to try him on a separate indictment for killing another of the three men after he had been acquitted of killing one of them. When the state undertook to try Corbitt, in the second case, his counsel interposed the plea that as all three men were killed by Corbitt at the same time as fast as his pistol would fire and as a result of the same impulse of self-defense, the whole affair was really one act in law, and that the state was undertaking to put Corbitt's life twice in jeopardy for the same offense. The state demurred to this plea and the circuit court overruled the demurrer. The state su-preme court, which reversed the circuit court, ordered the case to trial, but Chief Justice Gary allowed a writ of error to the United States supreme court. Counsel for the state included A. J. Hydrick, Adam H. Moss, T. M. Raysor, Charles A. Douglas and others, while counsel for Corbitt were Cole L. Blease, W. C. Wolfe, M. L. Smith and

Mr. Reid, whose company has been here several days, only arrived in the city last evening. He is a member of the Columbia chamber of commerce. Mr. Reid stated that his reason for calling off the remaining two deneas advertised was remaining two dances advertised was due to the fact that he had no desire For Sale—Rhode Island Red Eggs at whatever to create any situation in Spartanburg that would cause dis-sension or friction or misunderstandwas not familia with local conditions here, and rather than subject any of the young ladies who would attend the dances to criticism deemed it the best plan to call a halt to all subsequent proceedings.
