YOUR SUMMER'S HAT? Does it fit you and is it fit for you? Does it help you look your best? Or does it just serve as a head covering—and—and that's all? A few dollars invested in a becoming hat—be it a straw or a felt, is money well spent. A nice hat will help you to look your best and every man should look his best. No, it needn't be a freakish, fussy hat—either in straw or felt—but a hat that gives you a distinguishing look—a look apart from the man who is indifferent about personal appearances—it may appear to be a small matter, but a nice, trim looking hat is quite an addition to any man's dress and every thinking man who comes in contact every day with other well dressed men, should be exceedingly hatted. The cost is not very great—you can wear the right hat, either felt or straw, for only a few dollars. May we show you our line. We have a big line and there's a hat here that will set you off just right. Come in today to Stroup's. J. M. STROUP
