

FACTS ABOUT THE DANCE

Editor Yorkville Enquirer: Referring to an article in The Yorkville Enquirer of September 12th, in which Rev. J. K. Walker, Pastor of Trinity Methodist church is quoted as saying that he saw a young man and a young woman come out of the cellar of the Trinity church, on Wednesday night while a dance was in progress, in the Nichol's Hall nearby, we wish to state that Rev. Walker has declared that he is misquoted and misunderstood in connecting this affair with our dance and that he merely cited the night of the dance to designate the night on which this happened.
