OBITUARY.

DIED—In Helena, Montana, early Sunday morning, of bulbar paralysis or sleeping sickness, Dr. F. ASBURY COWARD, aged 45 years. The deceased was a native of Yorkville and his body will be brought here this week for interment in Rose Hill cemetery. Dr. Coward was a son of Col. Asbury Coward and is survived by his parents and two sisters, Mrs. Jennie Bratton and Mrs. Elliott Glover of Saluda, N. C. One brother, Mr. Latrobe Coward, also survives. Until last August he had been director of the state laboratory of South Carolina, resigning that position to go to Montana to organize a similar department for that state. His body was shipped from Helena last night to Yorkville for burial. Several days' time will be required to make the trip. F. Asbury Coward was born in Yorkville in 1877, the son of Col and Mrs. Asbury Coward. His distinguished father at that time was confining the famous Kings Mountain Military academy. The early education of Dr. Coward was received at Yorkville and Charleston and in 1897 he was graduated from the Citadel with first honors. He then entered the Medical College of South Carolina and in 1900 was awarded his diploma in medicine and became a first class licentiate. He spent one year in a Charleston hospital and six months as city physician. In 1902 he moved to Columbia and was engaged in general practice until 1905, when he went to Bolivia as surgeon for W. R. Grace & Co., of New York, rating his builders. He returned to Columbia in 1907 and taking post graduate work he resumed practice but in 1909 he was appointed director of the laboratory of the state board of health. He was a laboratory specialist and as director made this department of the state board one of the most important in the country in this work until last summer with the exception of time spent in the army during the World War. Early in the conflict with Germany, Dr. Coward entered the medical corps as first lieutenant. He spent some time at the Rockefeller Institute and at the Johns Hopkins Institute at Baltimore, doing special work in pathology. On going overseas he was promoted to the rank of captain. He was at first in the laboratory of an American Red Cross hospital near Paris, afterwards served in a number of hospitals and was wounded and finally was sent to Coblenz with the army of occupation. He returned to America and was mustered out at Camp Dix. He resumed his work in Columbia in July, 1919.

Yesterday afternoon at his home on Clover No. 1, following a long period of ill health, Mr. ANDREW C. McCARTER, aged about 55 years. The body of the deceased was interred in the cemetery at Bethany this afternoon, following funeral services conducted by his pastor, Rev. W. P. Grier. Mr. McCarter was born and raised in the Bethany section of King's Mountain township. He is survived by his widow, two daughters, Mesdames Henry Jones of King's Mountain, N. C., and Robert Craig of Gastonia, N. C., and one son, Mr. Darwin McCarter who lives at the home place. Two brothers, Messrs. William and Meek McCarter of the Henry's Knob section and two sisters, Mesdames John and

George McCarter of King's Mountain township also survive him. At his home in Gastonia, N. C., yesterday afternoon at 1 o'clock, Rev. J. C. GALLOWAY, D. D., aged 71 years, 4 months and 27 days. He had been in bad health for several years, and his condition has been critical during the past several days. The deceased was a native of Newberry county, a son of the late Rev. Jonathan Galloway. He was received as a theological student by the Second Presbytery of the Associate Reformed church at a meeting at King's Creek in 1871, and was licensed to preach in 1873, his first pastorate being that of Thomson Street church in Newberry, where he was ordained in 1873. He held pastorates in Kentucky, Virginia, Georgia and North Carolina, as well as South Carolina, and was pastor of Tizah and Yorkville from 1885 to 1894, when he accepted a call to Pisgah and Gastonia, later giving up Pisgah and devoting all his time to Gastonia where he has been ever since, nearly 30 years. Dr. Galloway's first wife was Miss Josie Dyer, a daughter of the late Rev. R. W. Brice, and his second wife, who survives him was Miss Blanche McKemy, of Mounmouth, Va. He is also survived by two daughters of his first wife, Misses May and Annie of Washington, D. C. One brother, R. S. Galloway, of Due West, and a sister, who lives in Newman, Ga. The funeral service will be held in the First Associate Reformed church of Gastonia this afternoon at 3:30 o'clock. It is to be conducted by Rev. Dr. R. G. Miller, Rev. Dr. G. R. White, Rev. W. W. Orr and other prominent ministers of the 24 R. P. denomination, and it is expected that there will be a great turnout of the people generally, as Dr. Galloway was easily the most popular and beloved pastor of the city.

"About the Same"

THERE ARE ABOUT 250 chartered Legal Reserve Life Insurance Companies in the United States today. The agents of about 240 of them, will, if a person who is being solicited to buy life insurance does not KNOW anything about life insurance companies, does not raise the question as to Age, Strength, Record for Square Dealing, Insist That His Company is the Best— WHILE IT IS raised he will say, "THEY ARE ALL ABOUT THE SAME," and he tells the truth. The cost to policy holders per \$1,000 insurance in each company is about the same—the Cash Surrender, Loan, Extended Insurance and Paid-up value is about the same after the third premium is paid, or either of them will pay the face of the policy in case of death, provided the assured has lived up to his part of the contract. IT SOMETIMES happens that the policy holder is NOT able to live strictly up to his part of the contract and when that time comes, and especially during the FIRST THREE YEARS, they all treat "him about the same." There are nine other Companies that are recognized as one of the best TEN Companies in the United States and neither of them are NOT "about the same" as either of the 240 referred to above. The other of the ten companies is the MUTUAL BENEFIT LIFE INS. CO. OF NEWARK, N. J. It stands No. 1 of the 250. It is recognized by its leading world-wide competitors as the BEST Policy Holders' Company in the United States. It is the Company that a leading life insurance expert a few years ago said, "It does not have to meet competition. It sets it." It is the Company which has the lowest lapse ratio of any company in business. It is the company that always gives a policy holder a square deal regardless of whether he knows his rights or not. We are in position to prove to YOUR satisfaction that the MUTUAL BENEFIT IS THE BEST, and notwithstanding this fact carries out its contract at the LOWEST COST of any Company.
