C. Waverly House, ready theirs out of deference to the none or Morgan, which we regretted, ness which has grown to be one of the The Court of Sessions for Horry ion County alone over thirty-three Adjutant and Inspector-General, wishes of the dry goods dealers? Prominent firms differed as to what would be the result of this action. None or Morgan, which we regretted, tor aller the old lady and the children would be the result of this action. None or Morgan, which we regretted, but that trouble was soon made on his examination at Florence with the but mater discound of the but ma A. M. MANIGAULT. Practices in the State and United States Courts for South Carolina. United States Senators, would be the result of this action. One gentleman said: "I look upen this as saying to the dry goods trade that the railroads had them in their power, and would not yield an inch. In this we can plainly see the evil effects upon the commu-nity of the plan of pooling. We can do nothing. All the main lines have joined together, and we cannot act on no to induce it to take more reason-able rates than another. This means a building up of the South and West, and a consequent lessening of the im-portance of the North and East, so far as this course can act. There is no CHARLESTON, S. C. WADE HAMPTON, M. C.
