PROSPECTUS

OF THE SOUTH CAROLINA BAPTIST. THE undersigned has determined early in January, 1866, to commence the publication of a weekly Religious Journal, at Anderson C. H., S. C., to be entitled THE SOUTH CAROLINA BAPTIST.

It will be the first great aim of THE SOUTH CAROLINA BAPTIST to convey the general news in relation to the Denomination at large, thereby rendering it an interesting and attractive companion in every Baptist family. No expense or effort will be spared to secure the earliest and most reliable information of the important and interesting workings of Baptist Churches in general, together with the operation of our Missionary Boards, and every benevolent institution and enterprise of the

day.

Therefore, while THE SOUTH CAROLINA BAPTIST will be strictly Denominational, "earnestly contending for the faith once delivered to the Saints," zealously contending for the Truth, and combatting error and superstitution in every form in which they present themselves, yet these capinons will be expressed with that kindness and opinions will be expressed with that kindness and affection becoming a professed Christian.

The columns of the paper will also be opened to those who may disagree with the opinions expressed.

As this will be, perhaps, the only paper taken

by many in this community—visiting, it may be, the humble abodes of some unable to take others, it is deemed proper and important, in judiciously arranged columns, to give all the important local, political and literary news of the day, rendering it, in every sense, a family paper.

The paper will be of medium size, well printed,

having the benefit of superior materials, and the entire office management being under the immediate superintendence of experienced printers.

The necessary capital to start this enterprise having been secured in advance; the services of having been secured in advance; the services of some of our ablest brethren, in this and other States, pledged as contributors and corresponding Editors, and all the necessary arrangements having been deliberately made with reference to stability and good faith, all who may feel inclined to favor the cuternrise may confidently subscribe. the enterprise may confidently subscribe, and remit advance payments, assured that there will be no disappointment.

The Editor, having been partially disqualified for the arduous duties of the Pulpit, by four long

years of hardship, exposure and service in our country's cause, feels impelled to resort to this as a means by which, under the blessing of Providence, he may assist in rebuilding the waste places

The mails will be in regular operation again by the time of the publication of the paper, and this being the first enterprise of the character ever established in Anderson, he hopes to secure promptly the aid and co-operation of all who love the Terms for One Year, invariably in advance.—Two
Dollars in Specie, or Three Dollars in Currency.
Ministers of the Gospel, Post Masters, and oth-

ers who will aid, are authorized to receive and forward subscriptions. Address, W. E. WALTERS, Editor, Anderson, S. C. 94
