CHARLESTON, S. C., June 29, 1866. GENERAL ORDERS NO. 9.

I. The Byt. Major General Commanding, has noticed with deep regret the disposition, on the part of freedmen in the vicinity of Charleston, and along the coast, to disregard their agreements on plantations, to the neglect of the crops, and to either lay idling about their houses, roam at large over the country or congregate in Charleston and over the country, or congregate in Charleston and other towns. This total disregard of all obliga-tions to keep their contracts in good faith, will cause an entire failure of crops in the State, and the result must be destitution and starvation. In leasures be taken by all officers to check the evil.

NOTICE TO DEBTORS.

BEING fully conscious of the impoverished condition of the country, and knowing that many of our best citizens are unable to meet their liabilities, if forced to do so, without an entire sacrifice of everything left them out of the vortex through which they had passed, I desire to make the most liberal arrangements within my power, with all who are indebted to me. I therefore propose, to allow all persons indebted to me, (and disposed to accept the proposition) four years to pay their in-debtedness te me, by paying me regularly, in four equal, annual instalments. This arrangement will give ample time, and afford every opportunity to those indebted to me, to make the means necessary

for the liquidation of their debts.

All those indebted to me, will find it greatly to their interest, to call and settle with me, as I promise I will not sue any parties who accept of the above proposition, and enter into a settlement on the terms proposed.

SAMUEL REOWN IN SAMUEL BROWN, JR.

IMPORTANT NOTICE.

ALL persons indebted to the late firm of ENG-LAND & BEWLEY prior to the war, are hereby notified that the undersigned has received instruc-tions from his former partner to settle up the busi-ness without delay. Knowing the distressed condition of the country at this time, the undersigned is unwilling to press the claims without due and timely notice to those indebted, and takes this method of informing all parties that it is absolutely necessary to make arrangements at once for the liquidation of all Notes and Accounts due the late firm. It is probable that there are small demands against many persons who have forgotten the same, and it is therefore incumbent upon our former customers to investigate the facts, that they may be

governed accordingly.

The Books and Notes may be found with the undersigned, who is prepared to make settlements with all who may call upon him. Liberal prices allowed for country produce in liquidation. W. C. BEWLEY.

S .- The widows of soldiers who have fallen in the late war, can settle now at fifty cents in the dollar, and soldiers who lost everything can make liberal settlements by calling at once. W. C. B. June 28, 1866
