MARRIED, on Monday, July 19th, by Rev. J. B. Hillhouse, at the residence of Mrs. Mary Belotte, the bride's grandmother, Mr. SAMUEL A. BELLOTTE and Miss SALLIE E. daughter of Mr. Elias Tillinghast, deceased.

**AN ORDINANCE TO PROVIDE FOR THE ORGANIZATION OF A "POLICE FORCE."**

I. Be it Ordained by the Town Council of Anderson, That it is expedient and proper that a Police force should be at once organized at this place for the preservation of order, the protection of private and public property, and to aid the civil authorities generally in the maintenance of peace and quiet, by a due enforcement of the laws.

II. That all white male inhabitants within the corporate limits of the Town of Anderson between the ages of sixteen and fifty years, who shall not be exempted on account of physical infirmity, are declared liable to duty in said force, and it shall be the duty of the Town Marshal to make out a list of all such persons, and summons them to assemble for organization, as he may be directed by resolution of Council.

III. That the said force shall be organized as a Police Guard by the appointment of a Captain and fourteen assistants, and divided into fourteen squads of equal number, as near as may be; one of the assistants being assigned by the Captain to the command of each squad, which squads shall alternate in the performance of police duty for the space of twenty-four hours, commencing at sunrise one morning of each alternate week, and ending at the same hour on the next morning; and in order to perfect the organization and discipline of the said force, and secure an efficient discharge of duty by the same, the Captain and his assistants shall be authorized to make all proper rules and regulations for their government, and such satisfactory excuse be given to the assistant on duty accounting for the absence of the principal.

IV. That as a joint Police force the said persons shall hold themselves in readiness to turn out at any time when summoned by the Captain or his assistant commanding to resist any band of robbers or disturbers of the public peace who may be too formidable for control by the ordinary police squad on duty.

V. That it shall be the duty of the said Police force to preserve order and quiet in the Town at all times, and particularly during the night time; and for this purpose, any person or persons who shall wilfully disturb the said Police force in the performance of their duty, or shall be engaged in any fight, brawl, or other riotous, disorderly or indecent conduct, or shall be detected in any offence against person or property, in violation of the ordinances of the Town and laws of the land, or against whom a just suspicion shall exist that they have been engaged in, or contemplate a violation of the public peace or laws of the land, shall be arrested, and if the officer in command shall deem proper, committed to the guard house for any time not exceeding twenty-four hours, at the end of which time, if not released upon the order of the officer in command, which he shall have power to do in case of trivial offences, they shall be carried before the Town Council, further to be dealt with according to law.

VI. That the said Police squads are enjoined to discharge their duties with the utmost caution and prudence, refraining from a resort to force where it is possible—the object of the organization being wholly to preserve order, peace and a due observance of the laws, for the protection of persons and property within the corporate limits of the Town.

VII. That any member of the said force who shall neglect or refuse to discharge the duties imposed by these regulations, or shall, when on duty, be guilty of any disorderly or improper conduct, or refuse to obey the lawful commands of the Captain, his assistant in command, or the leader of his squad, may, on conviction before Council, be fined in any sum not exceeding Twenty Dollars for each offence.

VIII. That the Marshal shall cause the Town Bell to be rung at 9 o'clock in the evening, and at daylight in the morning, as heretofore, until otherwise ordered.

Done and ratified in Council and the seal of the corporation affixed the Twenty-first day of July, A. D., 1866.

J. P. REED, *Tendant.*  
W. H. NARDIN, Clerk Council, *pro tem.*

**NOTICE TO DEBTORS.**

BEING fully conscious of the impoverished condition of the country, and knowing that many of our best citizens are unable to meet their liabilities, if forced to do so, without an entire sacrifice of everything left them out of the vortex through which they had passed, I desire to make the most liberal arrangements within my power, with all who are indebted to me. I therefore propose, to allow all persons indebted to me, (and disposed to accept the proposition) four years to pay their indebtedness to me, by paying me regularly, in four equal, annual instalments. This arrangement will give ample time, and afford every opportunity to those indebted to me, to make the means necessary for the liquidation of their debts.

All those indebted to me, will find it greatly to their interest, to call and settle with me, as I promise I will not sue any parties who accept of the above proposition, and enter into a settlement on the terms proposed.
