Cheap Printing Paper!

TO EDITORS AND PUBLISHERS:

Letter from W. G. Clark, Esq., President of the Southern Press Association.

ATLANTA, GA., April 19, 1867.

J. S. Thrasher, Esq.

DEAR SIR: It affords me much pleasure to communicate to you the following resolution of the Southern Press Association:

Resolved, "That as a testimonial of our appreciation for the zealous, faithful, and effective service of John S. Thrasher, Esq., as Superintendent of this Association in years past:

We hereby confer upon him the complimentary position of Agent of the Southern Press Association in the city of New York."

The terms of commendation employed in the above resolution, do no more than justice to your important services during your superintendency—services which none had better opportunity to know, and none can more highly appreciate than myself. Should occasion require, I shall be glad to avail myself of the aid provided for by the resolution.

Very respectfully, your obedient servant, W. G. CLARK, President.

NOTICE.

I would respectfully request every daily, tri-weekly, semi-weekly, weekly, and monthly journal, south of the Potomac and Ohio rivers, and the 36 deg. 30 min. parallel of latitude West of the Mississippi, to publish this advertisement twice, and send to me at New York each time, a copy of the paper, containing it, postpaid, with bill for same.

It is desirable in my combinations to procure cheaper printing paper for our Southern journals, that I shall have the fullest information regarding the sizes of the paper used by the several publications, and I can procure it in no other way than by requesting particular attention to the need of sending copy of the publication with the bill.

I desire it sent twice to provide against mail failure, and that they be postpaid to secure post office delivery.
