THE GREAT SOUTHERN PIANO MANUFACTORY. WM. KNABE & CO., MANUFACTURERS OF GRAND, SQUARE AND UPRIGHT PIANO FORTES, BALTIMORE, MD. These Instruments have been before the Public for nearly thirty years, and upon their excellence alone attained an unparalleled prominence, which pronounces them unequalled. Their TONE combines great power, sweetness and fine singing quality, as well as great purity of Intonation and Sweetness throughout the entire scale. Their TOUCH is pliant and elastic, and entirely free from the stiffness found in so many Pianos. IN WORKMANSHIP they are unequalled, using none but the very best materials, the large capital employed in our business enabling us to keep continually an immense stock of lumber, &c. on hand. All our SQUARE PIANOS have our New Improved Overstrung Scale and the AGRAPPE TREBLE. We would call special attention to our late Improvements in GRAND PIANOS AND SQUARE PIANOS, PATENTED AUGUST 14, 1866, which bring the Piano near perfection than has yet been attained. "BAD BLOOD."

"The Life is the Blood."

FROM its derivation, beauty and mental capabilities. It is the centre of our being, around which revolves all that makes existence happy. When this source is corrupted the painful effects are visible in many shapes, prominent among which is SCROFULA. This is a taint or infection of the human organism, and probably no one is wholly free from it. It exhibits itself in various shapes—as Ulcers and Sores, Decayed Bones, Diseased Scalp, Sore Eyes, Weak and Diseased Joints, St. Vitus' Dance, Foul Discharges from the Nostrils, Eruptions, Glanular Swellings, Throat Affections, Rheumatism, Heart Affections, Nervous Disorders, Boreness, Disorders of the Womb, Dropsy, Syphilitic Affections, Liver Complaint, Salt Rheum, Dyspepsia, Neuralgia, Loss of Manhood and General Debility. It has been the custom to treat these diseases with Mercury and other Mineral substances, which, though sometimes producing a cure, often prove injurious and entails misery in after life. The long known injurious properties of these so-called alteratives and purifiers has led the philanthropic man of science to explore the arena of nature, the result of which has been the discovery of vegetable products which possess the power of eradicating these Taints from the Blood.

DR. TUTT'S COMPOUND EXTRACT OF Sarsaparilla and Queen's Delight

Is the acknowledged antidote to all Blood Diseases. By its use the affections above enumerated can be permanently banished, and the Source—the Centre of Life—the Blood, Be maintained in all its purity and vigor. For Diseases produced by the use of Mercury, and for Syphilis, with its train of evils, this Compound is the only sure antidote. To the poor creature, enfeebled in mind and body, by secret practices, whose nerves are unstrung, and countenance downcast, THE SARSAPARILLA AND Queen's Delight Is a blessing. Try it fairly, and your nerves will be restored to their wonted vigor, and your decreed countenance be made radiant with the consciousness of RESTORED MANHOOD. Being free from violent minerals it is adapted to general use. The old and young may use it; the most delicate female at any time may take it; the tender infant, who may have inherited disease, will be cured by it.

FOR PURIFYING THE BLOOD USE DR. TUTT'S EXTRACT OF SARSAPARILLA AND Queen's Delight.

When used in the Spring it removes all humors which infect the system, and banishes the languor and debility peculiar to that season of the year. It acts promptly on the LIVER AND KIDNEYS, producing a healthy action of the important organs by which all the impurities of the system are carried off, and the result is A Clear Skin, a Good Appetite, and Buoyant Spirits. PREPARED BY WM. H. TUTT & LAND, Augusta, Ga., And sold by Druggists throughout the United States and British America. June 30, 1870 17
