AN ACT TO RENEW AND AMEND THE CHARTER OF THE TOWN OF SPARTANBURG.

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That from and after the passage of this Act, all citizens of this State, having resided twelve months within the State, and sixty days in the town of Spartanburg, shall be deemed, and are hereby declared to be, a body politic and corporate; and the said town shall be called and known by the name of Spartanburg, and its corporate limits shall extend one mile in each direction from the Court House in said town.

SEC. 2. That the said town shall be governed by an Intendant and six Wardens, who shall be citizens of the United States, and who shall have resided in the said town sixty days immediately preceding their election, and who shall be elected on the second Monday in September of each year, ten days' public notice being previously given; and that all male inhabitants of the age of twenty-one years, citizens of the State, and who shall have resided within the State twelve months, and in the said town sixty days, immediately preceding the election, shall be entitled to vote for said Intendant and Wardens. Paupers and persons under disabilities for crime excepted.

SEC. 3. The said election shall be held at some convenient place in said town, from eight o'clock in the morning until four o'clock in the afternoon; and when the polls shall be closed, the Managers shall forthwith count the votes and declare the election, and give notice thereof, in writing, to the Intendant then being, who shall, within two days thereafter, give notice, or cause the same to be given, to the persons duly elected. The Intendant and Wardens, before entering upon the duties of their offices, shall respectively take the oath prescribed by the Constitution of this State, and also, the following oath, to wit: "As Intendant (or Warden) of the town of Spartanburg, I will equally and impartially to the best of my ability, exercise the trust reposed in me, and will use my best endeavors to preserve the peace and carry into effect, according to the law, the purposes for which I have been elected: So help me God." And if any person upon being elected Intendant or Warden, shall refuse to act as such, he shall forfeit and pay to the Council the sum of twenty dollars for the use of the said town: Provided, That no person who has attained the age of sixty years shall be compelled to serve in either of said offices; nor shall any other person be compelled to serve either as Intendant or Warden more than one year in any term of three years.

SEC. 4. That in case a vacancy shall occur in the office of Intendant or any of the Wardens, an election shall be held to fill such vacancy, by order of the Intendant and Wardens, a majority of the same, ten days' public notice being previously given; and in case of sickness or temporary absence of the Intendant, the Wardens forming the Council shall be empowered to elect one of their number to act as Intendant during the time.

SEC. 5. That the Intendant and Wardens duly elected and qualified, shall during their term of service, severally and respectively be vested with all the powers of Trial Justices, or Justices of the Peace, as the case may be, in this State, within the limits of the said town, except for the trial of civil cases. And the Intendant shall or may, as often as is necessary, summon the Wardens to meet in Council, any three of whom the Intendant, or any four of the Wardens, may constitute a quorum to transact business, and they shall be known as the Town Council of Spartanburg. And they and their successors in office, hereafter to be elected, may have a common seal, which shall be affixed to all their Ordinances; may sue and be sued, plead and be impleaded in any Court of Justice in this State, and purchase, hold, possess and enjoy to them and their successors, in perpetuity, or for any term of years, any estate, real, personal or mixed, and sell, alien or convey the same: Provided, The same shall not exceed at any one time, the sum of ten thousand dollars. And the said Town Council shall have authority to appoint from time to time, as they may see fit, such and so many proper persons to act as Marshals or Constables of said town, as the said Council may deem necessary and expedient for the preservation of the peace, good order and police thereof, which persons, so appointed, shall, within the corporate limits of said town, have the power and privileges, and be subject to all the obligations, penalties and regulations provided by law, for the office of Constable, and shall be liable to be removed at the pleasure of said Council. And the said Town Council shall have power to establish or authorize the establishment of a market house in said town, and to establish or authorize the establishment of a guard house, and to prescribe suitable rules and regulations for keeping and governing the same, and the said guard house be established, they shall be authorized to use a room in the common jail of the County of Spartanburg, for the confinement of all who may be subject to be committed for a violation of any ordinance, rules and regulations of said town, and the said Town Council or the said Intendant and Wardens, in person, any one or more of them, may authorize and require any Marshal of the town, or any Constable specially appointed for that purpose, to arrest and commit to the said guard house or jail of Spartanburg County, as the case may be, for a term not exceeding twenty-four hours, any person or persons who within the corporate limits of said town, may be engaged in a breach of the peace, any riotous or disorderly conduct, open obscenity, public drunkenness, or any conduct grossly indecent or dangerous to the citizens of said town, or any of them. And it shall be the duty of the town Marshal or Constables to arrest and commit all such offenders when required so to do, and who shall have power to call to their assistance the posse comitatus, if need be, to aid in making such arrests, and upon the failure of said officers to perform such duty as required, they shall severally be subject to such fines and penalties as the Town Council may impose upon them. And all persons so imprisoned shall pay the costs and expenses incident to their imprisonment, which said costs and expenses shall be collected in the same manner as is provided for the collection of fines imposed for the violation of Ordinances, rules and regulations: Provided, That such imprisonment shall not exempt the party from the payment of any fine the Council may impose for the offence for which he, she, or they may have committed. And the said Town Council shall have full power and authority under their corporate seal, to make all such rules and regulations, by-laws and ordinances respecting the streets, roads and the business thereof, as well as the police system of the said town as shall appear to them necessary and proper for the security, welfare and convenience, and for preserving health, order and good government within said town. And the said Town Council may impose fines for offences against their by-laws, rules and regulations, and ordinances, and appropriate the same to the public use of said town. And the said Town Council shall have the same power that Trial Justices or Justices of the Peace now have, or may hereafter have, to compel the at-

tendance of witnesses, and requiring them to give evidence upon the trial before them of any person or persons, for a violation of any of their ordinances, by-laws, rules or regulations, but no fine above the sum of twenty-five dollars shall be collected by the said Council, except by suit in the proper Courts of Justice in this State, and that no fine shall exceed the amount of fifty dollars; and also, that nothing herein contained shall authorize the said Council to make any ordinance or by-law inconsistent with or repugnant to the laws of the State.

SEC. 6. That the said Intendant and Wardens, or a majority of them, shall have full power to abate and remove all nuisances in said town, and it shall be their duty to keep all roads, ways, bridges and streets within the corporate limits of the said town open, and in good repair; and for that purpose, they are invested with all the powers of County Commissioners or Commissioners of Roads, for and within the corporate limits of the said town, and they may lay out new streets, close up, widen, or otherwise alter those now in use; and shall have full power to classify and arrange the inhabitants or citizens of said town, liable to street, road, or other public duty therein, and to force the performance of such duty under such penalties as are now, or shall hereafter be, prescribed by law. And they shall have power to compound with all persons liable to work the streets, ways and roads in said town, upon such terms as their ordinances or by-laws may establish, or their rules and regulations require, the moneys so received to be applied to the public use of the said town. And all persons refusing to labor, or failing to pay such commutation, shall be liable to such fine, not exceeding fifty dollars for one year, as the said Town Council may impose, and they shall have power to enforce the payment of such fine, in the same manner as is now, or may be hereafter provided for the collection of County taxes. And the said Town Council shall have power, with the consent of the adjacent land owners, to close all such roads, streets and ways, within the said town, as they may deem necessary, by the sale of the freehold therein, either at private or public sale, as they may judge best for the interest of the said town, and they shall keep in repair all such new streets, roads and ways, as they may, from time to time, deem necessary for the improvement and convenience of said town: Provided, That no street, road or way shall be opened, without first having obtained the consent of the land owner, or owners thereof, through whose premises such new street, road or way may pass.

SEC. 7. The said Town Council shall have power and authority to require all persons owning a lot or lots in said town to close in, and to make and keep in good repair sidewalks in front of said lot or lots, whenever the same shall front or adjoin any public street of said town, in, in the judgment of the Council, such sidewalk shall be necessary; the width thereof, and the manner of construction, to be designated and regulated by the said Town Council; and for the default or refusal, after reasonable notice, to make and keep in good repair such sidewalks, and to close in such lot or lots, the Town Council may cause the same to be made or put in repair, and require the owner to pay the price of making or repairing; and the said Town Council are hereby empowered to sue for and recover the same, by action of debt, in any Court of competent jurisdiction: Provided, That such contract for making and repairing is let to the lowest bidder. The cemeteries and public grave yards are also placed under the jurisdiction of the said Town Council.

SEC. 8. The Intendant and Wardens of the said town, or a majority of them, shall have full power to grant or refuse licenses to keep taverns, or retail spirituous liquors within the corporate limits of the said town, upon such conditions and under such circumstances as to them shall seem proper and right: Provided, That in no instance shall the price of a license to keep a tavern or to retail spirituous liquors be less than the amount established by the State, and all moneys paid for licenses and for fines and forfeitures shall be appropriated for the public uses of the said town: Provided, That the Intendant and Wardens duly elected shall not have power to grant any license to keep tavern or retail spirituous liquors to extend beyond the term for which they have been elected. They shall have power to regulate sales at auction within the corporate limits of the town, and to grant licenses to auctioneers, itinerant traders, to keepers of hotels, livery stables, billiard tables, ten-pin alleys, or other kinds of games of hazard, skill, or chance, on all drays, carts, wagons, carriages, omnibuses, buggies, horses, mares, or mules kept for hire or used for public purposes in said town. And they have the full and only power to impose a tax on all shows or exhibitions for gain or reward within the corporate limits of said town. They shall have power to impose a tax not exceeding twenty cents on every hundred dollars of the value of all real and personal property lying within the corporate limits of the town, the real and personal property of churches and school and college associations excepted. That an ordinance declaring the rate of annual taxation upon property and other subjects of annual taxation for the year, shall be published at least three weeks during the month of January in each year, except the first publication, which shall be immediately after this amended charter is accepted and adopted by the General Assembly of this State: Provided, That if in the judgment of the said Town Council any property, real or personal, shall be returned below its actual and true value, then, in such case, reference shall be made to the books of the County Treasurer, and the last assessment of such property made by the County Assessors shall be taken as the value of the same, and that all persons liable to taxation under the same, shall make oath of their taxable property within said town, and make payment of their taxes to the Clerk and Treasurer of the said corporation, or such other persons as they may be ordered or required to do, during the succeeding month after publication, and upon failure to make such return and payment as required, the parties so in default shall be subject to the penalties provided by law for failure to pay the general, State and County tax, to be enforced by the orders of the Intendant and Wardens, or a majority of them, for the use of the said town, except that in such cases that executions to enforce the payment of such taxes shall be issued under the seal of the corporation, and may be directed to the Town Marshal, or other person appointed by the said Town Council to levy, collect and receive the same, with costs, as in such cases made and provided by law. And all property upon which such tax shall be levied and assessed, is hereby declared and made liable for the payment thereof in preference to all other debts, except debts due to the State, which shall be first paid. And that all other taxes imposed by the Intendant and Wardens, or a majority of them, shall be payable in advance by the parties liable for the same, and on failure of payment, their property shall be liable for the same, as in manner and form just before stated.

SEC. 9. The Intendant and Wardens elect, together with Clerk and Treasurer, shall, during their term of office, be exempt from street and police duty. Each Town Council shall, within one month after the expiration of their term of office, make out and return to their successors in office a full account of their receipts and expenditures during their term, which account shall be published in one or more papers of the town or county, and shall pay over all moneys in their possession belonging to the corporation, and all other papers, records and other papers incident to their office to their successors; and on failure to do so, they shall be liable to be fined in a sum not exceeding five hundred dollars, to be collected by any proper action of the Town Council.

DR. TUTT'S EXPECTORANT FOR COUGHS, COLDS, &c. For the Speedy Relief AND PERMANENT CURE OF Consumption, Bronchitis, Asthma, Colds, And all Diseases of the Lungs, Chest, or Throat.

THE EXPECTORANT is composed exclusively of Herbal and Macilaginous products, which PERMEATE THE VERY SUBSTANCE OF THE LUNGS, causing them to throw off the acrid matter which collects in the Bronchial Tubes, and at the same time forms a soothing coating, relieving the irritation which produces the cough.

The object to be obtained is to cleanse the organ of all impurities; to nourish and strengthen it when it has become impaired and enfeebled by disease; to renew and invigorate the circulation of the blood, and strengthen the nervous organization. THE EXPECTORANT does this to an astonishing degree. It is active but mild and congenial, imparting functional energy and natural strength. It affords Oxygen to vitalize the blood, and Nitrogen to assimilate the matter—it EQUALIZES the "NERVOUS INFLUENCE," producing quiet and composure.

TO CONSUMPTIVES It is invaluable, as it immediately relieves the difficult breathing and harassing cough which attends that disease.

FOR ASTHMA It is a specific—one dose often relieving the distressing choking, and producing calm and pleasant repose.

FOR CROUP No mother should ever be without a bottle of the EXPECTORANT in the house. We have numerous certificates of its having relieved, almost instantly, the little sufferer,
