

AN ACT TO PROVIDE FOR THE CONSTRUCTION AND REPAIR OF PUBLIC HIGHWAYS. SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That immediately after the passage of this Act, the County Commissioners of the several Counties shall divide their Counties into highway districts, each district to contain not less than ten miles of public highways, nor more than forty miles, to be convenient for repairing high-ways, and may, from time to time, alter the same; and they shall appoint for each highway district a Surveyor of Highways to superintend the expenditure of the highway tax and money appropriated for improvement of high-ways in his district, and to take charge of and keep in repair, at all times, the highways in his district. Said Surveyor of Highways shall be removable at pleasure; he shall be responsible to the County for any damages which may be sustained within his district, through fault or neglect in the discharge of his duty. Said Surveyor of Highways shall give bond to the County, with good and sufficient sureties, to be approved by the County Commissioners, in double the amount of money to be expended in his district, for the faithful discharge of his duties.

Sec. 2. That for the purpose of keeping in repair highways and bridges, the County Commissioners of each County shall, on or previous to the first day of January, assess a tax of eighteen cents, if so much be necessary, on every hundred dollars of the lists of the County, to be paid in money or labor at the option of the tax payer, and laid out in repairing high-ways and bridges; and they shall annually, on or before the said first day of January, make out a tax bill for each Surveyor of Highways, containing the amount of tax to be laid out by him in his district, with the amount of each person's tax annexed to his name, accompanied with a warrant, signed by the Chairman of the Board, authorizing such Surveyor to collect such tax; and they shall deliver the several tax bills to the respective Surveyors, and take their receipt for the same.

Sec. 3. The Surveyors of the several highway districts, after receiving their several tax bills and warrants, shall proceed to give notice to the several persons liable to pay taxes in their districts of the amount of their taxes, and of the time and place in which, and the teams, carriages and tools with which they are required to pay their taxes in labor; but no person shall be liable to furnish any team, carriage or tool of which he is not the owner, except hoes, shovels or spades. Such notice may be given to all persons resident in the highway district, either personally or by written notice left at their usual residence; or to non-residents by a written notice left at the residence of their tenants, agents, or persons having the care of their property; and, in case of persons residing out of the highway district, at least ten days before the time appointed for them to commence their work; and if such non-residents shall have no tenant or agent in the town, notice may be posted up in some public or conspicuous place in the district; and the Surveyors shall make and keep a minute of the time and manner in which the notice shall be given.

Sec. 4. Any person, after he has commenced working in payment of his highway tax, shall be subject to the direction of the Surveyor, as to the times when, and the place where, his taxes shall be paid and laid out in labor.

Sec. 5. That at least three-quarters of the highway tax in any highway district, payable in labor, shall be collected and laid out between the 15th day of January and the 1st day of May, and the remainder between the first day of August and the first day of October, in each year, except as hereinafter provided.

Sec. 6. On any extraordinary occasion, when any bridge or highway shall be destroyed or impaired so as to require immediate labor to remove the obstruction, it shall be the duty of the Surveyor, forthwith, to cause the highway or bridge to be repaired, or the obstruction removed; and he may, for that purpose, call upon and notify any inhabitants of the district to afford him the necessary aid, or may hire other laborers, or employ other means to open or repair the highways and bridges; and, in such case, the notice shall be deemed sufficient to any person owing taxes, payable in the district, in order to make him liable for neglect to pay his taxes in money, if such notice shall be given six hours previous to the time when he is required to appear and labor. If any person shall in such case, perform labor more than sufficient to pay the taxes due from him, or if a person not indebted for taxes shall perform labor, the amount of such labor, or the balance, may be accredited to such person towards his highway tax the succeeding year.

Sec. 7. If, on any such occasion as specified in the preceding Section, any Surveyor shall, for the space of twelve hours after application made to him for that purpose by any citizen residing within his district, neglect to call upon the inhabitants of his district, or use the proper means to repair or open the highway or bridge which may be out of repair or obstructed, he shall forfeit and pay to the County Commissioners of the County, to be expended in repairing highways in such district, the sum of twenty-five dollars, to be collected in the name of the County, unless such Surveyor shall show sufficient reason for such neglect.

Sec. 8. If, in any such case, any inhabitant of the district whose name shall be on the tax bill of such district, whether any tax shall be due from him or not, shall, for the space of six hours after being called on or notified by the Surveyor for that purpose, without sufficient reason, neglect to turn out and assist in repairing such highway or bridge, as he shall be required, he shall forfeit and pay to the County the sum of three dollars, to be collected and expended as provided in the preceding Section.

Sec. 9. If any person against whom a Surveyor shall have a tax bill, payable in labor, shall neglect, after being notified, as provided in this Act, to work out his tax, he shall be liable to pay his tax in money; and the Surveyor shall proceed to collect the same, and shall have all the power the County Treasurer has by law to collect State and County taxes; and he shall proceed in the same manner in the collection, and shall have the same fees.

Sec. 10. It shall be the duty of each Surveyor of Highways to lay out, in such manner as he may think beneficial in making and repairing highways in his district, all moneys collected by him in his tax bill, or receives in any other way for that purpose.

Sec. 11. Each Surveyor shall keep full and regular accounts of all labor performed, and all moneys received and expended in his district, out of the labor that may have been performed by any persons over and above their taxes, and make return of his account to the County Commissioners, annually, in the month of November. And it shall be the duty of each Surveyor of Highways to pay over to the County Commissioners of the County any moneys which may remain in his hands unexpended; and any moneys which may be so received from the Surveyor shall be paid over by the County Commissioners to the succeeding Surveyor, to be expended in the same district. And when any person shall have overpaid their taxes in labor or otherwise, the balance shall be accredited to such persons on their taxes for the succeeding year. When any Surveyor of Highways shall resign or be removed from office, he shall also make such return to the County Commissioners as required in this Section, and turn over all moneys, books and pa-

pers pertaining to his office to the County Commissioners, or to his successor in office, as they may direct.

Sec. 12. If any Surveyor shall have failed to collect the taxes contained in his tax bill, as required by law, or if he shall fail to pay over any moneys which he may have collected and not expended, the County Commissioners shall proceed against him upon his official bond.

Sec. 13. If any person receive or suffer bodily injury, or damage in his property, through a defect or want of repair or sufficient railing in or upon a highway, causeway or bridge, he may recover, in an action, of the County by law obliged to repair the same, the amount of damage sustained thereby, if such County had reasonable notice of the defect, want of repair, or of insufficient railing, or if the same had existed for the space of twenty-four hours previous to the occurrence of the injury or damage; but no such damage shall be recovered by a person whose carriage and load thereon exceeds the weight of six tons.

Sec. 14. If, before the entry of an action provided for in the preceding Section, the County Commissioners tender to the plaintiff the amount which he would be entitled to recover, together with all legal costs, and the plaintiff does not accept the same, and does not recover upon his trial more than the sum so tendered, the defendant shall recover costs.

Sec. 15. If a County neglect to repair any of the highways or bridges which, by law, it is obliged to keep in repair, or neglect to make the same safe and convenient, such County shall be liable to indictment and fine, as the Court in its discretion may order. The fine imposed in such case shall be certified to the County Commissioners by the Clerk of the Court, and they shall proceed to collect the same from the Surveyor or Surveyors of the highway district or districts charged by this Act with the duty of superintending and keeping said highways in repair; the sum, when collected, shall be laid out in the repair of highways and bridges in the County.

Sec. 16. Each person who shall furnish work on the highways in payment of his highway tax, assessed by the County Commissioners, shall be allowed, for a good hand, at the rate of ten cents for each hour. It shall be the duty of the Highway Surveyor of the district to make such allowance for the use of teams, carriages and tools, as shall be equitable and just.

Sec. 17. That all able-bodied male persons between the ages of eighteen and forty-five years shall be liable, annually, to perform on the public highways and roads, not less than three, and not more than five days' labor, under the direction of the Highway Surveyor of their district: Provided, That if any person, being warned to work upon the highways, shall pay to the Highway Surveyor, in the district in which he may reside, the sum of one dollar per day for each day required, the same shall be received in lieu of such labor, and shall be applied by the said Highway Surveyor to the construction and repair of the highways and roads in the district. And should any person refuse either to work on the highways and roads or to pay the fine imposed as a penalty for refusing to work upon the highways and roads, according to the direction of said Commissioners, the said person shall be deemed guilty of a misdemeanor, and, on conviction thereof, punished by imprisonment in the County jail for the same, for a term not exceeding thirty days.

Sec. 18. Each Highway Surveyor provided for in this Act shall receive fifteen cents per hour for the time necessarily employed in discharging the duties required by this Act: Provided, That he shall not receive exceeding fifty dollars per annum, except in extraordinary cases, when the County Commissioners may, in their discretion, allow a greater sum, and, in no event, more than seventy-five dollars.

Sec. 19. The County Commissioners shall, for the year 1871, levy no tax under this Act but that provided for in Section 17, but shall set apart a portion of the tax heretofore authorized to be raised for County purposes, and have the same laid out and expended under the provisions of this Act.

Sec. 20. All Acts and parts of Acts, inconsistent with this Act, are hereby repealed. Approved March 9, 1871.

The said Intendant and Wardens shall be elected on the second Monday in September in each year, ten days before the day on which the polls shall be opened, and all continue in office for one year, and until their election and qualification of their successors; and all male inhabitants of said town, who shall have attained the age of twenty-one years, and resided therein sixty days immediately preceding the election, shall be entitled to vote for said Intendant and Wardens: Provided, That no persons shall be allowed to vote at any such election who shall not have registered his name as a voter with the Clerk of the Council, in a book or books to be kept by him for that purpose, by ten o'clock A. The said Intendant or Clerk of the Court shall open the report of the said Managers, and shall announce and publish the whole number of the votes cast, and the whole number cast for each candidate, when the several candidates receiving the highest number of legal votes for the office for which they were voted for, shall be declared duly elected. The Intendant and Wardens, for the time being, shall always appoint three Managers to conduct the election, who, before they open the polls for said election, shall take the oath fairly and impartially to conduct the same; and the Intendant and Wardens, before entering upon the duties of their office, shall, respectively, take the oath prescribed by the Constitution of this State, and also the following oath, to wit: "As Intendant (or Warden) of the town of Anderson, I will faithfully and impartially, to the best of my ability, exercise the trust reposed in me, and will use my best endeavors to preserve the peace and carry into effect, according to law, the purposes for which I have been elected: So help me God."

Sec. 5. In case a vacancy should occur in the office of Intendant, or any of the Wardens, by death, resignation, or otherwise, an election to fill such vacancy shall be held by the appointment of the Intendant and Warden, or Wardens; and in case there be none, then by the appointment of the Clerk of the Court of Anderson County.

Sec. 6. That the Intendant and Wardens, duly elected and qualified, shall be, during their term of office, vested with all the powers and authority with which Trial Justices are at present vested by law, except the trial of civil cases, and except as may be otherwise provided in this Act; and the Intendant shall and may, as often as may be necessary, summon the Wardens to meet in Council, any two of whom, with the Intendant, or any three Wardens, may constitute a quorum to transact business; and they shall be known by the name of the Town Council of Anderson; and they and their successors, hereafter to be elected, may have a common seal, which shall be affixed to all their ordinances, may sue and be sued, plead and be impleaded, in any Court of law or equity in this State, and purchase, hold, possess and enjoy to them and their successors, in perpetuity, or for any term of years, any estate, real, personal or mixed, and sell, alien and convey the same: Provided, The same shall not exceed, at any one time, the sum of ten thousand dollars. And the said Intendant and Wardens shall have full power to make and establish all such rules, by-laws and ordinances respecting the roads, streets, markets and police of said town, as shall appear to them necessary and requisite for the security, welfare and convenience of the said town, or for preserving health, peace, order and good government within the same. And the said Council may fix and impose fines and penalties for the violation thereof and appropriate the same to the public use of the said corporation: Provided, That in all cases of trials to be had before the said Town Council, as hereinbefore provided, the party charged shall be cited to trial by service upon him of a summons, under the hand of the Intendant, or any one of the Wardens, of the Clerk of the Council, wherein shall be expressed with certainty the offence charged, and the time and place of trial, which service shall be made at least five days before the day of trial.

Sec. 7. That the Intendant and Wardens of the said town shall have full and only power to grant or refuse license to retail spirituous liquors within the said limits, which license shall be granted in the same manner and upon the same conditions as they now are, or may hereafter be under the laws of this State, except that the Town Council shall have the power to regulate the price of license to keep taverns and to retail spirituous liquors: Provided, That in no instance the price of a license so to keep tavern or retail spirituous liquors shall be fixed at a less sum than is established by the laws of this State; and all the powers vested formerly in the Commissioners of Roads are hereby granted to the said Intendant and Wardens within the said limits; and all moneys paid for licenses, and for fines and forfeitures, for retailing spirituous liquors, keeping taverns and billiard tables within the said limits without license, shall be appropriated to the use of said corporation: Provided, That the Intendant and Wardens duly elected and qualified shall not have power to grant any licenses to keep tavern or retail spirituous liquors to extend beyond the time for which they shall have been elected.

Sec. 8. That it shall be the duty of the said Intendant and Wardens to keep all streets, roads and ways within their corporate limits open and in good repair, and for that purpose they are invested with all the powers granted formerly to the Commissioners of Roads. And they shall have power to compound with all persons liable to work the streets, ways and roads in said town, upon such terms as they shall, by ordinance, establish; the moneys so received to be applied to the public use.

Sec. 9. That the said Town Council shall have power to impose an annual tax upon the keepers of all billiard tables and ten pin alleys, or other pin alleys, within the discretion of said Council, and to grant or refuse licenses for the same, upon such terms and conditions, and subject to such regulations as they may, by ordinance, establish. They shall also have power to impose a tax, within their discretion, on all sales made by itinerant traders and auctioneers, on all public drives, wagons, carriages, omnibuses, and other vehicles kept for hire, and on the owners or proprietors of all dogs, hogs, sheep, goats and cattle kept within the corporate limits of said town. The said Town Council shall have power to impose an annual tax on the amount of all sales of goods, wares and merchandise, and also on the amount of income arising from all factories and professional employments, including the profession of dentistry; also upon the amount of income from all moneys loaned at interest, and from dividends received from banks and all other stocks: Provided, That no tax shall be imposed in any one case to exceed the rate of thirty cents on each hundred dollars of the value of such sales and income. And the said Town Council shall have power to impose an annual tax, not exceeding the rate of thirty cents on every hundred dollars of the value of all real estate lying within the corporate limits of said town, the real estate of churches and school associations excepted; and, for that purpose, they shall appoint three freeholders residing therein to assess the value of said real estate upon oath, and return the assessment within one month to said Council for taxation, and to fill any vacancy occasioned by the death, resignation, refusal to serve or removal from office of the said Assessor. And the said Town Council shall have power to regulate the price of licenses upon all public shows and exhibitions in said town, to erect a powder magazine, and to compel any person holding more than twenty-five pounds of powder to store the same therein, and to make regulations for rates of storage thereof, and for keeping and storing the same. And the said Town Council shall have power to enforce the payment of all taxes and assessments levied under the authority of this Act against the property and persons of defaulters, to the same extent, and in the same manner, as is provided by law for the collection of the general State tax, except that executions to enforce the payment of town taxes shall be issued under the seal of the corporation, and directed to the Town Marshal, or other persons especially appointed by the said Town Council to collect the same; and all property upon which a tax shall be levied and assessed is hereby declared and made liable for the payment thereof, in preference to other debts due by the person owning such property at the time of the assessment, except debts due the State, which shall be first paid. The said moneys, together with all other moneys collected by authority of the provisions of this Act, and the ordinances passed in conformity thereto, from whatever source said moneys may arise, to be paid into the Treasury of said town for the use of the corporation.

Sec. 10. That returns shall be made, on oath, to the Clerk of the Town Council, during the month of January, in each year, of the amount of all sales of merchandise, professional, mechanical or other incomes, and of the quantity and kind of all other property than real estate, subject to taxation under the provisions of this Act, by persons who may be liable to pay the taxes on the same; and the said taxes shall be paid on or before the first day of March then next ensuing; upon failure thereof any party in default shall be subject to the penalties now provided by law for failure to pay the general State tax.

Sec. 11. That the said Town Council shall have authority to require all persons owning a lot or lots in said town to make and keep in good repair sidewalks in front of said lot or lots whenever the same shall front on or adjoin any public street of said town, if, in the judgment of the Council, such sidewalks shall be necessary, the width thereof, and the manner of their construction, to be designated and regulated by the said Council; and for default or refusal to make and keep in repair such sidewalks, the Town Council may cause the same to be made and put in repair, and require

the owner to pay the price of making or repairing; and the said Town Council are hereby empowered to sue for and recover the same by action of debt in any Court of competent jurisdiction in Anderson County: Provided, That such contract for making or repairing be let to the lowest bidder.

Sec. 12. That the said Town Council shall have power, with the consent of the adjacent land owners, to close all such roads, streets and ways within the said Town as they may deem necessary, by sale of the freehold therein, either at private or public sale, as they may judge best for the interest of said town; and they shall also have power to lay out, adopt, open and keep in repair all such new streets, roads and ways as they may, from time to time, deem important or necessary for the improvement and convenience of said town: Provided, That no new street, road or way shall be opened without first having obtained the consent of the land owner through whose premises any such new street, road or way may pass.

Sec. 13. That the said Town Council shall have power, and are hereby authorized, to elect one or more Marshals (in addition to the Sheriff of Anderson, who shall also be a Marshal of the town), to fix their salaries and prescribe their duties, who shall be duly sworn in and invested with all the power, and subjected to all the duties and liabilities that Constables now have, or are subjected, by law, in addition to the duties and liabilities specially conferred and imposed on them by the Town Council: Provided, That their jurisdiction shall be confined to the corporate limits of said town.

Sec. 14. That the said Town Council shall have power to establish a guard house, and to prescribe, by ordinances, suitable rules and regulations for keeping and governing the same; and until such guard house shall be established, they shall be authorized to use a room in the common jail of Anderson County for the confinement of all persons who may be subject to be committed for the violation of any ordinance of the town, passed in conformity with the provisions of this Act; and the said Town Council may, by ordinance, or the said Intendant and Wardens in person, any one or more of them, authorize and require any Marshal of the town, or any Constable, specially appointed for that purpose, to arrest and to commit to the said guard house or jail of Anderson County, as the case may be, for a term not exceeding twenty-four hours, any person or persons who, within the corporate limits of said town, may be engaged in a breach of the peace, any riotous or disorderly conduct, open obscenity, public drunkenness, or in any conduct grossly indecent or dangerous to the citizens of said town, or any of them; and it shall be the duty of the Town Marshals to arrest and commit all such offenders, when required so to do, who shall have power to call to their assistance the posse comitatus, if need be, to aid in making such arrest; and upon the failure of such Marshals to perform such duty as required, they shall, severally, be subject to such fines and penalties as the Town Council may establish; and all persons so imprisoned shall pay the costs and expenses incident to their imprisonment: Provided, That such imprisonment shall not exempt the party from payment of any fine the Council may impose for the offence for which he may have been committed.

Sec. 15. That the said Town Council shall have power to collect the taxes from all persons representing publicly within their corporate limits, for gain or reward, any plays or shows, of what nature or kind soever, to be used for the purposes of said corporation.

Sec. 16. That all fines, which shall hereafter be collected by conviction in the Court of Sessions, for retailing without license within the corporate limits of said town, shall be paid one-half to the informer, and the other half to the said Town Council, for the use of the corporation.

Sec. 17. The said Town Council shall have power and authority to abate all nuisances within the corporate limits, and also to appoint a Board of Health for said town, and to pass all such ordinances as may be necessary to define the powers and duties of said Board.

Sec. 18. That the said Town Council shall have power to borrow money for the public use of the corporation by issuing, from time to time, as occasion may require, the bonds of said corporation, bearing interest at a rate not exceeding seven per centum per annum, to be paid semi-annually, for an amount not to exceed the sum of fifteen thousand dollars; and for the payment of the interest, and ultimate redemption of the principal, according to the terms of the loan, the said corporation shall be at all times liable: Provided, That the property of the inhabitants of said town shall be bound for the redemption of said loan in no other way than by the imposition of an annual tax, according to the provisions of this Act: And provided, further, That a majority of the owners of real estate within the corporate limits of said town, shall first vote in favor of issuing said bonds, and the said Town Council shall give at least thirty days' notice of holding such election.

Sec. 19. That the Intendant or Wardens shall, during their term of office, be exempt from street duty; and each Town Council shall, within one month after the expiration of their term of office, make out and return to their successors, a full account of their receipts and expenditures during their term, and shall pay over all moneys in their hands, belonging to the corporation, and deliver up all property, books, records and other papers incident to their office, to their successors; and, on failure so to do, they shall be liable to punishment prescribed in the twenty-first Section of this Act.

Sec. 20. That all ordinances heretofore passed by the Town Council of Anderson, in conformity with the authority granted by existing laws, shall be, and they are hereby, declared legal and valid.

Sec. 21. That any willful violation or neglect of duty, malpractice, abuse or oppression, the said Intendant and Wardens, jointly and severally, shall be liable to indictment in the Court of Sessions, and, upon conviction, to punishment by fine, not exceeding one hundred dollars, besides being liable for damages to any person injured.

For the Speedy Relief AND PERMANENT CURE OF Consumption, Bronchitis, Asthma, Colds, Lungs, Chest, or Throat.

THE EXPECTORANT is composed exclusively of Herbal and Mucilaginous remedies, which PERMEATE THE VERY SUBSTANCE OF THE LUNGS, causing them to throw off the acrid matter which collects in the Bronchial Tubes, and at the same time forms a soothing coating, relieving the irritation which produces the cough. The object to be obtained is to cleanse the organ of all impurities; to nourish and strengthen it when it has become impaired and enfeebled by disease; to renew and invigorate the circulation of the blood, and strengthen the nervous organization. THE EXPECTORANT does this to an astonishing degree. It is active but mild and congenial, imparting functional energy and natural strength. It affords Oxygen to vitalize the blood, and Nitrogen to assimilate the matter—it EQUALIZES the "NERVOUS INFLUENCE," producing quiet and composure.

TO CONSUMPTIVES. It is invaluable, as it immediately relieves the difficult breathing and harassing cough which attends that disease.

FOR ASTHMA. It is a specific—one dose often relieving the distressing choking, and producing calm and pleasant repose.

FOR CROUP. No mother should ever be without a bottle of the EXPECTORANT in the house. We have numerous certificates of its having relieved, almost instantly, the little sufferer, when death appeared almost inevitable.

Mothers be Advised! Keep it on Hand! This dread disease requires prompt action; as soon as the hoarse, hollow cough is heard, apply the remedy, and it is easily subdued; BUT DELAY IS DANGEROUS.

The properties of the EXPECTORANT are demulcent, nutritive, balsamic, soothing, and healing. It traces the nervous system and produces pleasant and refreshing sleep. It exhilarates and Relieves Gloominess and Depression.

Containing all these qualities in a convenient and concentrated form, it has proven to be the Most Valuable Lung Balsam Ever offered to sufferers from Pulmonary diseases.
