SPECIAL NOTICES.

THE TOPIC JUST NOW!

IF YOU WANT A PRETTY DRESS,
 A BEAUTIFUL HAT OR BONNET,
 A DRESS, make up in the best style,
 in short, if you want anything in DRY GOODS, MILLINERY, or DRESS MAKING, or, should you want samples of dry goods, send to
JAMES W. FOWLER,
 Proprietor, "Emporium of Fashion,"
 ABBEVILLE, S. C.

This stock was never so attractive, especially in Dress Goods and Millinery. Oh, the HATS are beautiful, and so becoming. The GIFT certainly has exquisite taste. No wonder, though, for she was in business for years in Baltimore, and does the fashionable work of the city. And then, you know, she visits Baltimore twice a year. No wonder she is so well posted; and really I have seen her handiwork dressed Ladies in Abbeville than any place in the State. Upstairs: Where do the Ladies of Abbeville buy their Millinery, and where do those "fashionable Dresses come from?" I was answered: From this "EMPORIUM OF FASHION."

Probably some persons may wonder how it is that so small a town as Abbeville can and does support such an establishment as the "Emporium of Fashion." How it is that the patrons of the "Emporium of Fashion" always look so stylish! I answer, because I employ the best talent in the Millinery and Dress Making Departments; because I have every facility for doing work in the best style; and being Agent for E. Butterick & Co.'s celebrated Patterns, as well as being a branch of Madame Demore's, of New York, receiving her Trimmed Patterns every six days.

My prices are not extravagant. The patronage of the Up-Country is solicited. I promise satisfaction in every case. When Goods do not suit, they can be returned. In ordering Hats or Bonnets, state the color you wish to procure.

Just what I have said. Every word is truth.
 Respectfully,
JAMES W. FOWLER,
 Abbeville, S. C.

The Advantages

Of using DOOLEY'S YEAST POWDER are shown in its superior excellence over all others, by which elegant, light, sweet rolls, biscuits, bread, pastry, &c., can be made with very little trouble, food that can be eaten with impunity and relished by the most sensitive dyspeptic or invalid. It permits no waste of food prepared with it, and the quantity required to be used of DOOLEY'S YEAST POWDER is one-third or one-half less than those of other manufacturers. Try it, and be convinced. For sale by Grocers everywhere.

No Enjoyment without Health. Of all the ills in the world that which demands the greatest care is our own bodies. Better lose houses, lands, balances in the bank, anything that represents wealth, than the strength, vigor and elasticity of the physical frame. The dyspeptic, the bilious sufferer, the nervous invalid, cannot enjoy the gifts of fortune. Happily, however, dyspepsia, biliousness, and nervous debility are removable ills.
TARRANT'S SELTZER APERIENT,
 is a specific for them. It renovates the stomach, improves the appetite, cleanses the bowels, regulates the liver, calms the nerves, and disinfests the depraved fluids.
