

Letter from Hon. John Wilson Approving the Singer Sewing Machine.

ANDERSON C. H., S. C., August 14, 1872. Mr. JOHN H. CLARKE, Agent Singer Sewing Machine...

SIR—Your letter of over a month ago, making enquiry in regard to the performance of the Sewing Machine you left with my family some month or six weeks before, as well as for my opinion in reference to the construction and arrangement of its machinery, came duly to hand...

Now, however, after its having been kept in almost constant operation by the members of my own family and others, for at least three months, being ample time to test its operations, I am now happy to inform you that it has performed admirably, and to my entire satisfaction.

My opinion in regard to the construction and arrangement of its machinery, was, perhaps, as well and fully intimated when I selected your machine in preference to any one of the other machines now in the market for sale, as I could possibly express it by words. It may be well, however, for me to state that in selecting a machine, I was not governed alone by its price, but the simplicity and durability of the machine...

Suffice it to say, then, (and without disparagement to others,) that when I purchased your machine, all of those desirable objects were fully attained. Very respectfully, JOHN WILSON.

A Perilous Season.

Glorious and delightful as the Summer weather is, its tropical heat is a severe trial to the vital powers. Even the strongest are sometimes prostrated by its effects. The common phrase applied to this condition of the body is "general debility."

There is no civilized nation in the Western Hemisphere in which the utility of Hostetter's Stomach Bitters, as a tonic, corrective and antibilious medicine, is not known and appreciated. Throughout the tropics it is considered, both by the people and the profession, a standard specific.

Beware of the Bitters made of acid and dangerous materials, which unscrupulous parties are endeavoring to foist upon the people. Their name is legion, and the public has no guarantee that they are not poisonous. Adhere to the tried remedy, Hostetter's Bitters, sold only in glass, and never in kegs or barrels.

"Billious."

If you feel dull, drowsy, debilitated, despondent, have frequent headache, mouth tastes badly in morning, irregular appetite and tongue coated, you are suffering from Torpid Liver, or "Billiousness."

How Unnecessary the Anguish many persons undergo from rheumatism, gout, neuralgia, toothache and earache. We say unnecessary because the application of MEXICAN MUSTANG LINIMENT to the affected part, or a few drops of it in the ear or tooth, affords instant relief, and what a better, safer, more potent, reliable, and more efficacious remedy than any other.

Scrofula Is the dread disease which annually sweeps its thousands to the grave. It makes its appearance in many forms: in Consumption, Glandular Swellings, Rheumatism, Cutaneous diseases, many of the affections with which females are troubled, &c.
