

TALK PLAIN.

It is as much of an impossibility for a Merchant to carry on his Business without MONEY, as it is for a Farmer or Mechanic to work without Tools. This is a plain fact, and we respectfully beg leave to urge our friends who are indebted to us for Supplies and Goods of any description to bear this in mind, and to come FORWARD PROMPTLY and settle their Bills and Notes. Cotton is at a low price just now, and there is a probability of its going lower; therefore, you run a great risk in holding, while you may make money by selling now. It would be much more to our advantage to pay the Planter 20 cts. for his Cotton, (provided we could be safe in so doing,) than to give him the present prices. But you know we cannot have things our way.

The Notes you gave us for SIMS' WAGONS are now falling due, and our instructions from the Factory is to urge prompt payment according to your promise.

Our Stock of Goods is new and complete, and for Cash or Cotton we will sell cheaper than Goods have been sold in Anderson since the War. Prove us by our works, and come see for yourselves.

Shoal Creek Factory Yarn and Sims' Wagons on hand and for sale. Come to see us.

The Singer Still Triumphant!

At the Vienna Exhibition, the SINGER received the Medal of Merit, the Medal of Progress, and three other Medals for superiority of productions. These are the highest Sewing Machine awards at Vienna. The Singer received all the Medals awarded to either of the competing machines, and two Medals more than any other obtained. Then, in the name of truth, what is it that prompts people to claim recommendations for the Diploma of Honor? The fact is, no Diploma of Honor has been given to any Sewing Machine Company. But immeasurably more valuable is "The World's Award," shown by sales—proved by sworn returns to the owners of the principal Sewing Machine Patents—which last year amounted to 219,758 Machines, nine out of ten of them being for family use. This is over 45,000 more Sewing Machines than were sold by any other company during the same period, and over one-quarter of all the Machines sold in 1872. These enormous sales are owing to the long-tested merits of the SINGER Machines, which meet the wants of the public in superiority and simplicity of construction, and capability for great variety and excellence of work. It is remarkable not only for the range and variety of its sewing, but also for the variety and different kinds of texture which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the inter-locked elastic stitch, alike on both sides of the fabric sewn.

DO LIKEWISE!

A Customer the other day brought his Cotton to Town and sold it, and then paid every cent he owed at the "Red Sign."

Perhaps others had better take this as a gentle warning. Come and settle your CORN DEBTS, or your securities will be pushed. Return my empty Sacks.
