

SPECIAL NOTICES.

Dr. Wistar's Wild Cherry Balm.—This Balsamic compound has become a household name. Let all who suffer, and have in vain attempted to cure their coughs, colds, bronchitis or pulmonary complaints, make use of this unequalled remedy. It can be relied upon, the mass of testimony that has been published since its introduction, being ample proof of its efficacy.

Facts worth knowing! One of the best indications of the South, and prosperity of Charleston, is to be found at the Establishment of Messrs. I. H. HALL & Co., located at Nos. 2, 4, 6, 8 Market St., 223 & 225 East Bay. The rapidly increasing business last year of this firm, has induced them to enlarge their Establishment, which now supplies every conceivable article that can be required in the building of a house, from a baluster to any size timber. Our friends in the City, and throughout the State who contemplate building a house can be supplied with all the materials necessary for its construction, at prices and quality of work which will save a large percentage in the cost of building. They are Agents for Asbestos Roofing Felt, endorsed by some of the best firms in the country. Send for price list and circulars.

THE GREAT REMEDY FOR CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
