ANDERSON, S. C., May 11, 1874.  
Mr. W. S. Sharpe—Sir: The Fifty Saw Brown Gin I bought from you last season has given entire satisfaction in all respects. It cleans the seed better than any other Gin, and makes as fine sample of cotton as any I have ever seen. It runs very lightly, and its machinery is very simple in its construction. I take pleasure in recommending this Gin to any one wishing to purchase.  
Respectfully,  
B. C. MARTIN.  
WILLIAMSTON, June 15, 1873.  
Mr. W. S. Sharpe—Sir: In answer to your inquiry in regard to my opinion of the Brown Cotton Gin, I can say that I would not take it down to put up any other Gin. It is a true Gin to keep in order. To prove the last assertion, I ginned three hundred and twenty bales on mine and never removed the caps from the inks; in fact, I don't think I lost twenty minutes in all the time from anything wrong with the Gin. It makes every good staple, and sells in our market at the highest prices.  
Yours respectfully,  
C. E. HORTON.  
HALL TOWNSHIP, June 21, 1873.  
Mr. W. S. Sharpe—Sir: We bought from you a Fifty Saw Brown Cotton Gin on which we ginned 175 bales of cotton. We think it is the best Gin made. The Gin runs light, picks fast and clean, and makes a fine sample.
