BRIEF MENTION.

The Ladies' Store makes a very fair proposition to its customers in to-day's issue.

Rev. David Hagood, of Pendleton, has been elected pastor of the Colored Baptist Church of this place. The stockholders of the Anderson Farmers' and Mechanics' Association should re-

member the annual meeting next Saturday. We are requested to announce that Rev. J. D. McCollough will conduct the regular services of the Episcopal Church in Grace Church on next Sabbath morning and after-

what he says in his advertisement, and will surely give employment to Trial Justices, unless money is forthcoming at once fron The services of the quarterly communion

of the Presbyterian Church will begin on Friday night next and be continued through Saturday and Sunday following. Rev. Robert Reed, of Roberts, will be present.

Persons who are fond of indulging in the pastime of snow-balling will doubtless hail the announcement that we are to have twenty-six snows this winter with unfeigned delight. The almanac says so, and of course no reasonable man will fail to provide an abundant supply of fire wood for the snowy

We would call attention to the advertisement of Mr. J. N. Robson, of Charleston, which appears in this issue. Mr. Robson announces that he has arranged to have a new brand of, fertilizer made to his order and to bear his name. His experience in the business and the satisfaction he has heretofore given are a sufficient guarantee of

New Salem Division, No. 99, Sons of Temperance, was instituted at Salem Church on last Saturday by Deputy Grand Worthy Patriarch, A. B. Towers. It has fifteen charter members. Mr. R. M. Burriss was elected W. P. and Mrs. L. H. Watson R. S. The division meets again on the fourth Saturday afternoon in this month.

We are pained to record the death of Mrs. Catharine D. Norris, relict of the late John E. Norris, Esq., which occurred at the residence of her son-in-law, Dr. J. L. Crumley, on Sunday morning last, in the 87th year of her age. She had been an invalid for two years, and for the last six months suffered greatly. Her remains were buried at the Presbyterian church on Monday last, in the presence of many relatives and friends.

Governor Chamberlain has pardoned Emma Miles, who was convicted of larceny at the recent term of the Court of Sessions for Anderson County, and sentenced to six months' imprisonment in the county jail. Her physician certified that her condition was such that she would undoubtedly die unless removed from the jail at once. Her pardon was earnestly recommended by Messrs. James L. Orrand John E. Breazeale, for the sake of suffering humanity.

Ii is no uncommon thing to hear boys complaining that they cannot get positions or employment. They do not try right. It is related that Stonewall Jackson walked from a distant part of Virginia to Washington to make personal application for an appointment to West Point. President Tyler himself worthy of what he aspires to, and then he is sure to succeed.

It is estimated that the present cotton crop of South Carolina will be 325,000 bales against 400,000 bales last year, while the entire crop this year will be 3,800,000 bales against 3,750,000 bales last year. Hence the price will likely remain low, and our people who have made a light crop will lose most heavily. The remedy for this is to plant more corn and small grain; to reduce the acreage of cotton planted and to increase the production per acre by a high use of fertilizers and a thorough system of cultiva-

Mr. W. W. Russell, of this County, was a quite successful exhibitor at the recent State Fair in Columbia, receiving four premiums and an honorable mention, as follows: Bale of cotton-premium, \$10; sample of cotton -honorable mention; lot of butter-premium, \$5; native cow-premium, \$20; milch cows-premium. Mrs. Russell also received a silver premium for a peacock flybrush. Mr. John B. Adger, jr., of Pendleton, received the following premiums on stock, which he exhibited at the State Fair: Matched horses-premium. \$25; saddle horse-premium, \$20; gelding 5 years oldpremium, \$15; berkshire boar-premium, \$8; berkshire sow and pigs-premium, \$10. We are gratified at the success of these exhibitors from our County, and regret that more of our citizens did not compete.

STATE AGRICULTURAL FAIR.

The State Fair last week was not a complete success, and some are intimating that it was a decided failure. Certainly, there was not much enthusiasm in its favor prior to the event, and the attendance of visitors and exhibitors was not nearly equal to former occasions. All this is to be regretted by every friend of progressive agriculture in the State, and we trust that the facts connected with the State Fair will awaken fresh interest among the farmers and planters, stimulating them to greater exertions in the future, so that the State Agricultural Society will be lifted from its present embarrassed condition, and placed on a secure and permanent basis.

It was determined to hold a summer meeting of the State Agricultural Society on the second Tuesday in August next at Anderson C. H., and a committee was appointed to confer with the superintendents of the various railroads to secure free or reduced rates of passage to and from the meeting. We believe that the citizens of Anderson will highly appreciate this action of the So ciety, and will unite in the most cordial manner for the entertainment and pleasure of the members.

A committee was appointed to wait upon Governor Chamberlain, and request his assistance in securing an appropriation for the Agricultural Society, which is in a crippled condition financially. The committee were received in an informal manner, and after talking the matter over, the Governor assured them that he would render whatever assistance was in his power to secure an appropriation from the Legislature. The following officers were elected to serve the ensuing year : President-Col. Thomas Taylor, of Rich-

vice Presidents-J. Wash. Watts, Laurens; J. N. Huffmann, Lexington; Richard To-zer, Columbia; James M. Eason, Charles-ton; B. F. Crayton, Anderson. Secretary—Thomas W. Holloway, New-

berry.

Executive Committee—G. McD. Miller, Abbeville; John B. Adger, jr., Pendleton; Wm. Wallace, Columbia; W. G. Hinson, Charleston; J. K. Davis, Fairfield; James McCutchen, Williamsburg; John W. Harrington, Chesterfield.

We regret to learn that the dwelling of

Mr. M. E. Telford, near Belton, was consumed on Thursday last at about 3 o'clock p. m., under such circumstances as to plainly indicate it to have been the flendish deed of an incendiary. After dinner Mr. Telford took his family to his father's house, some four or five hundred yards off, and after sitting for a while returned home to get some things he needed in his work, which was some distance from his house and in the woods. On leaving he locked the house and left it as he thought safe. It was soon, however, discovered to be in flames, and those who arrived first found the whole interior in a blaze and all the doors open. The flames had so far progressed that it was impossible to save anything except one feather bed. Mr. Telford is a young gentlemen of industrious habits and quiet demeanor, who has the confidence and freindship of the community, and it is impossible to imagine who could have committed the cured by his own exertions for himself and family. We hope the perpetrator of this deed may be ferretted out and visited with the severest penalties of the law. Mr. Telford was not insured.

The past summer was colder in its average than any summer in the last eighty-six years.

Persons residing in the county of Abbeville obtained 116 premiums at the recent State Fair in Columbia.

Twenty cigars per head are annually manufactured for every man, woman and child in the United States.

Florida will produce an unusually large crop of pine apples this season. They promise to ship a million to Northern markets.

Mrs. Fred. Grant will assist her mother-in-law at the White House receptions this season. She is expected to supply the place of Nellie. The house of Bishops, of the Protestant

Episcopal Church, at its recent session in New York created two Bishoprics. One for Africa and one for China. The Atlanta and Richmond Air Line

is ordered to be sold for the payment of the indebtedness of the company. It extends from Atlanta to Charlotte, a distance of 265 miles. McMahon's salary as President of

France is stated to be two hundred thousand dollars a year. This is a princely income, and yet the President has vexations and troubles which make him occasionally speak vaguely of resigning.

The new constitution of Nebraska provides for the election of United States Senator by the people. This is an innovation upon the theory of our government, which looks upon the Senate as the representative of the sovereignty of the States.

The State Fair this year is said to have been very much inferior to former years, both in the quantity and quality of artieles exhibited and the number of persons in attendance. Mr. W. M. Lawton delivered an excellent address on Thursday, but had only about 50 listeners.
