

LOCAL MATTERS.

THE PRESBYTERY OF SOUTH CAROLINA.

The one hundred and ninety-fourth session of the Presbytery of South Carolina was held with the Presbytery Church of Anderson last week, beginning on Wednesday evening, April 6th, at 7 o'clock.

The opening sermon was preached by Rev. T. C. Ligon, the retiring Moderator, from 1st Peter 1 ch. 5, first clause: "Whom having not seen, ye love."

After the religious exercises, the roll of ministers and churches was called, and it was ascertained that there were present at the organization 24 ministers and 24 ruling elders, as follows:

Ministers—Revs. W. Carlisle, J. B. Adger, D. D., J. F. Gibert, Z. L. Holmes, C. B. Stewart, John McLees, R. H. Reid, J. O. Lindsay, W. F. Pearson, F. Jacobs, D. D., Hugh McLees, W. P. Jacobs, Thos. H. Law, H. Strong, A. P. Nicholson, J. L. Martin, D. E. Frierson, R. A. Fair, T. C. Ligon, W. C. Smith, John G. Law, A. L. Miller, J. R. Jacobs and Wm. McWhorter.

The election of officers resulted as follows: Rev. F. Jacobs, D. D., Moderator, and Rev. J. B. Jacobs, Temporary Clerk. Rev. Wm. F. Jacobs is the Stated Clerk.

The following ministers were dismissed to join other Presbyteries, viz: Rev. L. K. Glasgow dismissed to Concord (N. C.) Presbytery; Rev. J. S. Young to Nashville (Tenn.) Presbytery; Rev. James V. Fair to Central (Miss.) Presbytery; Rev. W. H. Davis to Augusta (Ga.) Presbytery.

Rev. H. H. Banks, Financial Agent of Davidson College, in North Carolina, sent a circular letter to the Presbytery, in reference to raising an endowment for that institution of learning.

The Presbytery recommended the people to contribute liberally to the said endowment, so that free tuition might be given to all students, and heartily endorsed Mr. Banks as the agent of Davidson College.

Rev. Thomas Dawson, the oldest minister of the Baptist denomination in South Carolina, was invited to sit as corresponding member.

Rev. R. A. Fair and Rev. J. L. Martin were appointed to visit and preach at Edgefield C. H.

Rev. F. Jacobs, D. D., from a committee appointed at the last meeting, presented a report on an overture from Rock church, in reference to charades and tableaux as a method of raising money for church purposes.

This report subsequently elicited an interesting discussion, in which several of the ablest members participated, and final action upon the report was postponed until the fall session.

The important idea pervading the report and discussion was in regard to the propriety of church members taking part in charades, tableaux and like popular amusements, when the object was to raise church funds.

The main difference of opinion was upon the extent to which Presbytery ought to express its decision, and it was thought by some that the report, which was carefully and ably prepared, went too much into detail in assigning reasons for its conclusions.

In response to the requirement of the General Assembly, the Presbytery expressed its opinion that the whole subject of the education and support of candidates for the ministry should be remanded to the Presbyteries, and likewise determined to cease co-operating at once with the Educational Committee of the General Assembly.

Instructing the churches belonging to this Presbytery to send all funds hereafter raised for educational purposes to Rev. F. Jacobs, D. D., Chairman of Presbyterial Committee of Education, Cokesbury, S. C.

After a public examination upon experimental religion and motives for seeking the gospel ministry, Mr. John McLees, Jr., was received under the care of Presbytery as a candidate for the ministry.

The regular fall session of the Presbytery was ordered to be held at Ninety-Six, and Wednesday before the second Sabbath in October, at 3 p. m., was designated as the time.

Trial pieces for licensure were assigned to candidate, A. E. Norris, as follows: Latin exercise, An Spiritus Sanctus Sit Deus; Popular lecture, 48th Psalm; Critical exercise, Gal. 4: 22 to end of chapter; Trial sermon, Rom. 10: 4.

In regard to a re-adjustment of the Presbyterial bounds, to which special attention of Presbytery was called by the last Synod, the matter was referred to a special committee, of which Rev. W. F. Jacobs is the chairman, to report at the fall meeting.

The pastoral relation between Rev. John G. Law and the Walhalla Church was dissolved by the Presbytery, at the request of Mr. Law and with the concurrence of the church, on account of the health of his family requiring him to travel.

The delinquency of churches for the past two years, in the matter of Synodical assessments for the Theological Seminary was reported to Rev. J. O. Lindsay to report upon at the fall session.

The Sabbath School Convention will be held at Greenwood on the third Tuesday in July next at 3 p. m.

The following Commissioners to the General Assembly were elected: Ministers—Rev. J. B. Adger, D. D., and Rev. D. G. Law, principals; Rev. F. Jacobs, D. D., and Rev. W. C. Smith, alternates. Ruling Elders—Col. G. M. Miller and Maj. S. P. Denny, principals; Dr. W. T. Russell and Dr. Williams Wright, alternates.

Licentiate R. C. Ligon was granted permission to preach at Providence Church until fall meeting.

Rev. J. S. Murray, pastor of the Anderson Baptist Church was invited to sit as corresponding member.

Liberty Spring church was granted permission to employ the services of Rev. Hugh Strong until next meeting.

The Executive Committee on Domestic Mission was reorganized with Rev. T. H. Law, chairman, Rev. R. H. Reid, Elders T. J. Moore and John H. Evans.

BRIEF MENTION.

To-morrow is Good Friday. Plant beans.

Mr. Robert Tucker of the Fork Township lost a fine young horse on last Saturday. While driving home with a loaded wagon about six miles from here his horse dropped dead in the harness.

We are requested to announce that there will be a meeting of Flat Rock Democratic Club at 2 o'clock p. m., on the fourth Saturday, at which J. L. Tribble, Esq., has been requested to make an address upon the subjects before the Club. A full attendance is desired.

The Pendleton Cornet Band propose giving another entertainment in Maxwell's Hall on next Tuesday, the 18th inst., at 8 o'clock p. m. It will again consist of choruses, which will be rendered by amateurs of the town, and a pleasant evening may be expected by those who attend.

The Democratic Club of Centreville Mills met on Saturday last, and decided in favor of primary elections, thinking it the best and most satisfactory way to secure candidates. The next meeting will be held at Deep Creek Grange on the first Saturday in May, when addresses may be expected.

For the Anderson Intelligencer. BELTON DEMOCRATIC CLUB.

The Belton Democratic Club met April 8th, 1876, according to adjournment. The President called the meeting to order, and declared the Club ready for business, when Dr. H. I. Epling was introduced to the audience, and made a long and interesting speech. By this time Mr. E. B. Murray arrived and was introduced to the audience, and addressed the Club in an able and instructive manner. The addresses of both were well received and heartily applauded by all present.

The members and delegates were a body of fine-looking, intelligent and earnest men, and the citizens of our town esteemed it a privilege to open their hearts and homes to them. Each day's exercises were attended by a respectable number of visitors, who seemed deeply interested in the proceedings. Altogether, we will express the general opinion in saying that the meeting of the South Carolina Presbytery has been warmly appreciated by our people generally.

ANOTHER MELANCHOLY ACCIDENT.

We learn that the most distressing and fatal accident occurred in the Dark Corner on Thursday last, which almost beggars description for its sadness and horror. It appears that a son of Mr. James Simpson, a lad of nine or ten years of age, went to the well for the purpose of drawing water, and when the little fellow drew up the bucket and attempted to catch hold of it, he missed his footing and fell head-long into the well, which is about forty-five feet in depth. His mother heard the noise, and made the discovery that her son had fallen into the well.

Upon going to his assistance, she ascertained that he was alive and attempted to draw him up by the rope, but when he got near to the mouth of the well, her hold upon the windlass was slackened and the child fell to the bottom. By this time the father came to the relief of the mother, and concluded not to trust to the windlass, but to draw the little fellow up by the rope itself in his own hands, and when he had succeeded in bringing the brave boy nearly to the surface, the grasp of the child upon the rope was relaxed, and he fell back for the third time. Of course, life was extinct when his body was recovered. This is one of the most distressing and melancholy occurrences we have ever known, and we deeply sympathize with the unfortunate parents, who were compelled to witness the harrowing scene.

TOWN MEETING.

The American Fire Extinguisher has been on exhibition in Anderson for the past few days. A meeting of the Town Council was held in the Court House on Tuesday evening at which the citizens were requested to be present. The experiments of the agent, Mr. Tryon, of Charleston, were very satisfactory in extinguishing flames, and a committee from the citizens and board of trade reported favorably upon this class of fire extinguishers, stating that it would effect a considerable reduction in insurance for the town to own an engine, but that they made no recommendation. After much wrangling discussion, the few citizens who remained passed a resolution requesting the Council to leave the purchase of an extinguisher to a vote of the citizens of the town. The engine which is contemplated to purchase will cost nine hundred dollars. It has a capacity of seventy-five gallons of water, which will generate three thousand gallons of carbonic acid gas, which has an extinguishing power equal to eighteen thousand gallons of water. Our citizens should inform themselves as to the merits of this engine, so as to be able to intelligently upon the purchase if the question is submitted to the voters of the town.

DEATH OF MISS PARKER.

Our readers will regret to learn that Miss Emma Parker, whose unfortunate accident we announced last week, died on last Saturday morning, at about 10 o'clock, from the effect of her injuries. Her father, mother and two sisters had been her constant attendants for several days previous to her death, and rendered every kindness and attention which it was possible for professional skill or tender love to administer for the alleviation of her suffering, which, though intense, she bore with marked patience and christian resignation until death ended them. The manner in which she caught fire is a mystery, and must ever remain so, as she herself was unable to give any account of it.

SONS OF TEMPERANCE.

The following officers were installed at Lebanon Division for the ensuing quarter, by Mr. Wm. Harper acting D. G. W. P., on Saturday last: Jephtha Harper, W. P. Wm. Wilson, W. A.; Miss Lizzie Harper, R. S.; Miss Flora L. Darriott, A. R. S.; John Harris, F. S.; Mrs. Eliza Smith, Treas.; Cornelius Gaillard, Chap.; Earle Dunwoody, Con.; Augustus Welborne, A. C.; Miss Code Lewis, L. A. C.; W. A. Harper, I. S.; Matthias Major, O. S.; Wm. Harper, P. W. P. An excellent address upon the subject of Temperance was delivered on this occasion by Rev. E. R. Carlwell, and the thanks of the Division were returned him for the instruction and encouragement contained in it.

The following officers of New Salem Division, No. 99, Sons of Temperance were installed for the ensuing quarter, by Deputy Grand Worthy Patriarch L. P. Smith, on last Friday evening: Jacob Eskew, W. P.; J. T. Felton, W. A.; J. Pelton Watson, R. S.; J. Burris, A. R.; H. H. Grey, F. S.; R. M. Burris, Treas.; Mike O'Neal, Con.; W. G. Hembree, O. S.; J. B. Felton, Chap.; P. R. Brown, P. W. P.

The following officers of New Prospect Division, No. 68, Sons of Temperance were installed for the ensuing quarter, by Deputy Grand Worthy Patriarch L. P. Smith, on last Saturday morning: W. C. Hale, W. P.; A. B. Bowden, W. A.; Miss I. N. Riley, R. S.; Miss Mattie C. Eskew, A. R. S.; William Riley, F. S.; J. M. Harbin, Treas.; J. J. Martin, Con.; W. A. Bowen, A. C.; J. A. Bolt, I. S.; J. M. W. Mays, O. S.; Rev. S. Isbell, Chap.; J. H. Hutchison, P. W. P.

The New Orleans Picayune says Gen. Jeff. Thompson predicts that a greater number of our citizens will come down the Mississippi river this year than any previous year since 1828.

BRIEFLETS OF STATE NEWS.

Judge Northrop has decided to take up his residence in Newberry.

The plan of primary elections for candidates seems to meet with general favor in Pickens County.

Mr. E. H. Blodgett has been appointed mail agent on the Camden branch of the South Carolina Railroad.

Hon. W. D. Porter writes that the monument to W. Gilmore Simms will cost \$2,500, of which only \$1,000 has been raised, principally in Charleston, and calls upon the various Counties of the State to contribute \$50 each.

Information has been received from the State Treasurer that he will be able to pay during this month two-thirds of the school money due the various counties under the recent apportionment of the Superintendent of Education.

Mrs. Mary Reid, the relict of the late George Reid, of Aberdeen, Scotland, died suddenly, in London, on the 6th of March, at the extreme age of 89 years. The deceased had many friends in Charleston, and in Columbia, Yorkville and other places in the State.

Judge Carpenter was elected a delegate to the Radical State Convention from Edgefield County, and Gov. Chamberlain was elected from Horry County. "When Greek meets Greek, then will come the tug of war." Carpenter and Chamberlain fighting for the crown—here comes the Democrats and knocks them both down.

The Piedmont Factory on the Saluda River has been completed, and is now in smooth running order, making cloth equal in texture to the Graniteville Factory. One hundred hands are employed, and the annual consumption of the raw material will be about 4000 bales of cotton. We congratulate the President, Col. H. P. Hammett, upon the completion of this important work.

The grand jurors of Lancaster County have taken steps to vindicate their characters from the aspersions cast upon them by Judge Mackey, in his charge to the grand jury of Chester at the recent term of the Court, wherein he alleged that they had committed "a plain, deliberate violation of the most solemn oath." Mackey denies that he used this language, and his usual luck will enable him to escape the wrathful intentions of the Lancaster jurors.

Mary DeGraffenreid, the colored woman who figured rather extensively in one of the affidavits filed in the Legislature in the effort made to have Judge T. J. Mackey's official conduct investigated, has brought suit against Governor D. H. Chamberlain and Treasurer F. L. Cardozo, as proprietors of the Union-Herald newspaper, for permitting certain publications to appear in that paper about the time of the said proposed Mackey investigation. Damages are claimed to the amount of \$10,000.

ANOTHER HOME INSTITUTION.—We most cordially invite attention to the advertisement of the Grangers' Life and Health Insurance Company. The South Carolina department of this company was organized by Captain B. J. Curry, General Manager, at the parlor of the Columbia Hotel, on the 5th. This company united in its organization many of the very best business men of the county, men whom the people respect for capacity and integrity. The names of the officers and directors, which may be seen in another column, at once suggest success of the highest order. This life insurance company has, within a few months, taken a place in the first ranks of insurance companies of this country. Its popularity with all classes of business men is general, and its success is unprecedented. This is accounted for only by its basis of organization, and the prudence with which its business has been conducted. Its rates are based upon mortality tables, backed by a heavy cash capital, and protected from blunders in business by strict charter and constitutional adherence to the plans of insurance which have been approved by the experience of the oldest and most successful companies of the country. It makes no experiments with new, untried plans for the sake of popularity. With such a basis as this, backed by a large capital, kept and loaned in the State, and with such elements of popularity in its organization, this company deserves the consideration and patronage of our people. There is no longer any reason why we should invest money with unknown, foreign companies. A safe policy is a necessity. No man can make a better investment of his money than to take a policy in this company, managed by his neighbors and friends.

THE BEST PUMP IN THE WORLD.

NOTHING conduces more to GOOD HEALTH than PURE WATER. Such is furnished by the

DOUBLE ACTING STONE FORCE PUMP,

Manufactured by J. C. Nichols & Bro., Atlanta, Ga., which brings the water pure and fresh from the bottom of the well. No slime or filth collects on the pump or in the well. No snails, worms or green moss gets about the water. It is free from rust or other impurities, and can be operated by a small child with ease, and brings the water fresher than any other pump. It is of stone, glazed inside and outside, and never will decay. It improves the water beyond a doubt by ventilating the well, and keeping it like a moving stream of water. With a hose attached, it becomes a good fire-engine, ever ready at your door to extinguish the flames in case of fire. It is better and cheaper than insurance. Its working gives complete satisfaction, as those acquainted with it will testify. It is a home enterprise, permanently established, and relies on its own merits, upon which it asks your patronage. This Pump is represented in Anderson and adjoining Counties, together with the Counties of Hart and Elbert in Georgia, by

ALONZO L. WELCH,

Anderson C. H., S. C.

Send in orders at once for Pumps, and they will be delivered and put in immediately. He means business.
