

DEATH OF W. N. ALEXANDER.

The reaper has again visited our community, and removed from us a useful citizen, a kind husband, a devoted father, an affectionate friend, and a promising young man.

Mr. Alexander had excellent business attainments, and from the position of a clerkship a few years he became the junior member of the firm of N. K. Sullivan & Co.

DARK CORNER CLUB SUGGESTIONS.

The Democratic Club of the Dark Corner held its monthly meeting at Shepard's Store on last Saturday morning, and was addressed by Messrs. W. C. Brown, E. B. Murray and J. N. Carwell upon the issues involved in the present canvass.

For Legislature—Dr. W. C. Brown, H. R. Vandiver, R. W. Simpson, Jas. L. Orr. For Solicitor—E. B. Murray. For Probate Judge—M. B. Clinckales.

AN EXPLANATION PUBLISHED.

We publish the communication of "B," containing an explanation in regard to the granting of the warrant for the arrest of Wilson, which caused the trouble of which we spoke in our last issue.

We notice that the street hands are preparing to make drains on the sides of the hill at Whitner's Creek. This will be good work, and will in a great measure stop the washing away of the street.

DEMOCRATIC MEETING AT FLAT ROCK.

The citizens of Yarenes Township and surrounding country assembled at Flat Rock on Saturday last, for the purpose of hearing addresses upon political topics and enjoying a basket dinner.

DEATH OF MISS MRS. MARY DOBBINS.

We regret to announce the death of Miss Mary E. Dobbins, daughter of Mr. Mary Dobbins, of the Fork Township, which occurred on Tuesday morning, 28th inst.

THE INTELLIGENCER IS THE LARGEST.

The Intelligence is the largest, by equal to seven columns, of any paper published in Anderson, and affords its readers the greatest amount of reading matter.

OUR BELTON CORNET BAND REPORTS.

Our Belton cornet band reports splendid rains in that section of the County.

BRIEF MENTION.

A protracted meeting commenced in the Baptist Church at Belton yesterday.

Rev. L. M. Ayer will preach in the Methodist Church on next Sunday morning.

A Rifle Club has been organized at Belton, with a full complement of officers and members.

The Board of Equalization for Anderson County will hold its first meeting on Monday next, 7th of August.

It may be some satisfaction to know that every hot day we have now is two minutes shorter than the one before.

This is the month for planting turnips. The sooner they are in the ground the better the probability of a good yield.

Mr. T. P. McCellan brought us a good sized sweet potato on the first of August, which is quite early for this latitude.

An extra meeting of the Pendleton Democratic Club will be held on Saturday next, 5th inst., for the purpose of electing delegates to the County Convention.

We are requested to state that Rev. M. E. Broadus will preach at Lebanon Church on the second Sunday and Saturday before in this month, at eleven o'clock each day.

The Sandy Springs Democratic Club will hold an extra meeting on Saturday afternoon, 5th of August, for the purpose of electing delegates to the County Convention.

The protracted meeting at Neal's Creek Church closed on Tuesday, when six persons were baptized.

The meeting was conducted by the pastor, Rev. Mike McGee, assisted by Rev. Robert King, and much good was accomplished.

Mr. David A. Woodson, for many years a resident of this town and an experienced type, who was formerly engaged in the Intelligence office, has returned to Anderson for a time.

There will be a basket picnic at Charlesville's Spring on next Saturday. It is simply a social gathering of the citizens, and more especially of the young folks of the neighborhood.

At an extra meeting of the Broadway Democratic Club, held at Neal's Creek on Saturday last, the following gentlemen were elected delegates to the County Convention: E. E. Campbell, J. Willet Prevost, Wm. Shirley, J. B. Carpenter, J. N. Vandiver and S. M. Geer.

A heavy storm of wind and rain visited the Southern portion of the County on Monday last, and we are informed that great damage was inflicted upon the growing crops.

We are without any definite and reliable information, and trust the reports are exaggerated.

Mr. Newton Bryson, of Centerville Township, lost a little daughter, two years of age, on last Saturday, from an attack of dysentery.

The little child had some delicate friends, some time previous to the attack of sickness, which terminated her life.

We sympathize with the parents in their bereavement.

Mr. A. Sumner Todd has associated himself with Mr. E. Preston Earle as a co-publisher and editor of the Intelligence.

Under the firm name of Earle & Todd, we hope they may find journalism pleasant and profitable.

The meeting then adjourned.

THE GRANGE AND THE DEMOCRACY.

We are informed that the Patrons of Husbandry at the Rock Mills Democratic Club, which terminated in a demonstration at the Providence camp-ground on Thursday, 24th inst.

Mr. D. W. West, atkinson will address the citizens on behalf of the Grange, and other speakers will be present to represent the Democracy.

Our friends in that section intend to provide a feast of good things for the occasion, and a pleasant time may safely be predicted.

SALUDA BAPTIST ASSOCIATION.

The seventy-fourth anniversary meeting of the Saluda Baptist Association will be held at Walnut Grove Church, in Abbeville County, beginning on Thursday next, 10th of August.

POLITICAL GATHERING AT HONZA PATH.

Messrs. Editors: According to announcement, there was to be a grand political demonstration under the auspices of the Democratic Club of that township.

The crowd commenced collecting by nine o'clock, and by ten the numbers had reached about seven hundred.

The worthy citizens of Abbeville lent their presence and good wishes to the great gathering.

At the meeting, Mr. J. H. Griffin, of Abbeville, presided, and collected little knots of admirers and friends around them to listen to their pretty and patriotic speeches.

The Anderson Sun has re-appeared under the conduct of Messrs. R. Edmund Belcher and John H. McGill. It presents a neat typographical appearance, and is taking position in the Democratic ranks.

We wish proprietors all the success they desire in their new partnership.

There are now three weekly papers in Anderson, a fact which speaks well for the business prosperity of the place.

We learn that there are a number of cases of bilious remittent fever along and near the junction of the streams Three and Twenty, and Six and Twenty.

None of the cases, however, so far as we know, have proved fatal up to this time.

It is probable this sickness results from the very high water in these streams during the freshet last June, whereby much bottom land was overflowed, and decayed vegetable matter was washed upon it, and left to produce miasma.

We regret to announce the death of Miss Mary E. Dobbins, daughter of Mr. Mary Dobbins, of the Fork Township, which occurred on Tuesday morning, 28th inst.

Her death is much lamented by many relatives and friends.

Her remains were deposited to rest in Robert's Church Yard on Wednesday last by the Fork Grange, of which she was an esteemed member.

August is a good month for planting patches of barley for fall pasture. It should not be planted later than September if it is desired to reap the full advantage of the crop.

It would be well for every farmer to plant a good patch of this grain, as he will find it very profitable—probably more so than anything he can plant.

After pasturing during the fall and winter, two heavy crops of green barley can be cut and fed to stock in the spring.

The Intelligence is the largest, by equal to seven columns, of any paper published in Anderson, and affords its readers the greatest amount of reading matter.

It has by many times the largest list of subscribers, and every man who is not now getting this paper should subscribe for it at once.

It is uncompromisingly Democratic. If you want to advertise, to reach the people, it is the paper to employ, for it has the largest circulation of any weekly county paper in the State.

We would call attention to the advertisement of the Security Insurance and Annuity Company, of New York, which appears in another column. This is a strong and reliable company, and is being introduced in this section by Capt. T. Hasell Dick, of Sumter, S. C.

He will spend some time in Anderson, and may be seen while here at the new office of the Intelligence.

He will be pleased to explain the merits of his company to those wishing to insure.

A CARD FROM COL. PICKENS.

Messrs. Editors: I embrace the first public opportunity of noticing a communication in the Anderson Journal, signed "Reform," in which my name was kindly mentioned with others as a kind of reserve corps for legislative selections.

I have no ideas at present of ever being a candidate for any position of office; but with my associations and reminiscences of the palmy days of South Carolina, I can conceive of no contingency or circumstances which would induce me to permit my name to be presented to the Democratic voters of the County as a candidate for a seat in the Radical Legislature of misrule and corruption.

Fortunately, there are others without such associations who are fully competent to discharge all the duties incumbent upon a legislator, and who have patriotically placed personal feelings and private interests in the background, and offer to devote themselves to the advancement of the best interests of their constituents. I will vote, consequently, for our true and tried members in the House of Representatives, with one additional name endorsed by the nomination of the Democratic primary election.

I shall vote for candidates of all the public offices for the County endorsed in the same way, uninfluenced by any personal consideration. I feel confident that the Democratic voters of this County will agree with me that the time has arrived when the Democratic party should no longer be lulled into supineness and indifference by the siren voice of Radical deception.

Their fair and false promises have invariably deceived us. I hope from the encouraging signs of the times, that the Democracy of this County will be prepared and determined to man to man in an unbroken phalanx to the polls, and efface every positive vestige of Radical misrule and corruption within our borders.

I am in favor of a straight-out Democratic nomination for all the State offices, as the only means of preventing the number of State rights and reform, under which we will do battle, from being trailed through the mire of Radical corruption.

In conclusion, permit me to congratulate you on your efficient service in defence of State rights and a violated constitution, and wishing that your future labors may be successful in hastening the dawn of a political millennium, when the scorching horde of Radical vampires, native and adopted, who are preying on our fields, shall be driven by an uprising and indignant Democracy beyond the confines of our down-trodden State.

Respectfully, T. J. PICKENS.

AN EXPLANATORY CARD.

Messrs. Editors: In your last paper I notice you censure our Trial Justice, Mr. A. C. Hawthorn, for depositions committed in Anderson County by a posse of negroes, who were intrusted with a warrant to arrest Mr. John Wilson, for shooting Saml. Williams, and knowing this, perhaps that he is in almost all similar cases, considerable exaggeration in the report going such a distance, as well as that you would be far from doing Mr. H. an injustice, I give you facts as occurred under my personal observation.

happening to be in the office when two colored persons came in, and asked Mr. H. if he hadn't promised a warrant for the arrest of Mr. Wilson, if some one would go and arrest him? Mr. H. replied by asking a number of questions, such as "who was with him?" "Only four persons." "Where is Mr. W.?" "At Mr. Robinson's in Abbeville, yesterday evening." "The warrant was granted, Mr. H. in returning them in what to do—go to Mr. Wilson, reason with him, use no insulting, threatening language, &c., as well as positive orders to shoot."

Enough of this! Mr. Hawthorn is in every sense a "Justice of the Peace," always on that side of every contentious question, and what he did in this, as every other district, was done in the interest of peace and order. Mr. H. had no knowledge of the party being so numerous, and of course did not send the negroes to Anderson, as his jurisdiction only extends within his own County. His regular constable told me he might go and find Mr. W., but that he would not be arrested—he would die first; and I understand Mr. W. had threatened his life for trying to arrest him in a former difficulty.

Fraternally yours, B.

BELTON DEMOCRATIC CLUB.

Belton, S. C., July 29th, 1876. The Belton Democratic Club held this evening a special meeting, called for the purpose of electing delegates to the County Convention. Vice-President G. W. McGee called the meeting to order, and stated the object of the meeting, when the Club went into an election for delegates and alternates, which resulted as follows: Delegates—M. Brazee, M. G. Cox, G. W. McGee, A. J. Stringer, Jas. W. Poore, W. C. Brown, E. M. Brown and M. P. Tribble. Alternates—E. B. Rice, G. W. Cox, E. H. Poore, J. T. Kay, J. T. Green, Alfred Campbell, Robert Cummings and E. M. Griffin.

FORK DEMOCRATIC CLUB.

This Club met at half past two o'clock p. m., Saturday, July 22nd, President A. Hunter presiding. Recruits for the Club was then called for, and 21 new names were received as members. A letter from Col. Hoyt was read instructing the Club to elect delegates to the County Convention at Anderson, August 7th. On motion, the following persons were elected: Delegates—Dr. W. K. Sharp, J. P. Brown, Wm. Brownlee, Maj. D. Cox, W. P. Fant, Thos. J. Dalrymple, Col. F. E. Harrison. Alternates—Capt. J. M. Kild, Maj. G. W. Maret, Mattison Palmer, John H. Burns, Dr. J. B. Brown, J. H. Prigg, D. S. White. On motion, adjourned to meet on fourth Saturday in August.

A CARD.

Messrs. Editors: I see in the Anderson Journal, of the 21st of July, an article signed "Reform," in which my name among others is mentioned as a suitable man to be selected as a candidate for the State Legislature. I only desire to say to "Reform," and all others, that I am not a candidate for the position, either before the clubs in their primary elections nor as an independent, but expect to support the nominations made by the Democratic party for State and County officers throughout.

A CARD.

Hon. Charles F. Sullivan, a prominent lawyer and highly respectable citizen of Laurens, died at his residence on Tuesday morning, 27th of July, after an illness of several weeks, in the 68th year of his age. Mr. Sullivan ranked among the foremost lawyers in the State, and in old time was prominently connected with its politics, serving for a number of years in the Legislature.

A CARD.

Having received the nomination of the Dark Corner Democratic Club for the position of Solicitor of the Eighth Circuit, I take this opportunity for returning thanks to my friends of that Township for their expression of partiality for me, and to state that if endorsed by the Anderson County Convention, which meets on the 7th inst., I will become a candidate for the Democratic nomination before the Circuit Convention. Very respectfully, E. B. MURRAY.

BRIEFLETS OF STATE NEWS.

W. H. Henderson has resigned as County Commissioner of Laurens. The rifle club at Due West now has about fifty members, with a full complement of officers.

The Abbeville Medium utters a distressing complaint in these lines: "The black-berry crop is about exhausted and times are getting tighter." Two colored prisoners—one of them the notorious John McCord, who was sent from Abbeville for fifteen years—escaped from the Penitentiary on the 25th ult.

The Twelve Mile River Baptist Association will meet this year at Secona Church, one mile west of Pickens O. H., and will embrace the second Sabbath in October. We feel authorized to assert that it will not be necessary for a committee to secure eligible candidates for the coming election in South Carolina. Volunteers are abundant this season.

The State Democratic Convention, which meets in Columbia on the 15th of August, has been granted the use of Representative Hall in the State House, and will occupy it without fear of molestation! Mr. W. W. Pemberton, an estimable and respected citizen of Charleston, died on Sullivan's Island on the 24th ult., aged about thirty years. He was a nephew of Mr. George W. Williams, and a native of Augusta, Ga.

Col. Thad. Coleman, of the Spartanburg and Asheville Railroad, with a corps of engineers, is now engaged in locating a line for the new track of the Spartanburg and Union Railroad, which will branch off at some point near Alston and run direct to Columbia.

Ex-Gov. Z. B. Vance, of North Carolina, was among the arrivals in Spartanburg last week. He was en route to address mass meetings at Rutherfordton and Columbus, N. C., and the Spartanburg Silver Cornet Band accompanied him to the mountains. Vance's eloquence and the splendid music of the Spartanburg boys will wake the echoes in that region, and create great enthusiasm among the mountaineers.

The Oconee Democratic Convention recommended a straight-out ticket for Governor and all other officers. The primary election system was unanimously adopted. Messrs. John W. Shelor, J. A. Doyle and W. C. Keith were elected delegates to the State and Congressional Conventions. The deliberations of the County Convention were characterized by a spirit of unity and harmony, which bespeak interest and determination on the part of the people.

Gov. Chamberlain has granted a reprieve of three weeks to Jerry Coleman, who was sentenced to be hanged at Abbeville on last Friday. An application for a commutation of the death sentence to imprisonment for life was made to the Governor, and as there was not time for him to examine the case, he granted a reprieve in order that he might be enabled to make the necessary investigation into the case. Judge Cooke concurred in the propriety of the Governor's action.

SPECIAL NOTICES.

Question for Which One to Answer. Are you troubled with Indigestion, Constipation of the Bowels, Dyspepsia, or any disease of the Liver? Have you suffered for years and found no relief from the use of medicines? Do you have a faint appetite, and are you troubled with feelings of languor? If you have these feelings, we know you have not tried the new discovery MERRELL'S HEPATINE, at SIMPSON & SADLER'S Drug Store. It is performing wonderful cures in all the communities where the people use it.

It is pronounced by all as the best Liver Medicine in the world. Two doses will relieve the worst case of Dyspepsia or Constipation of the Bowels. Each bottle contains fifty doses, and a teaspoonful of water three times a day will cure the system, and restore you to the full use of your energy and appetite, or Dyspepsia, with all its train of evil, is effectually and permanently cured.

Those who doubt the merit and virtues of this medicine and live from day to day without trying the HEPATINE, have only sympathy, but cannot be cured unless they take the Medicine. THE STRUGGLES OF LIFE. From the cradle to the grave life is full of struggles. Some struggle for riches, some for pleasure, some for a most wonderful life—health—and in their efforts they often resort to means which place farther out of their reach the very things which they seek to obtain. There is a system, or violent mineral which poison by degrees, and thus the vital energies are weakened and the very foundations of life polluted. Nature provides a most wonderful remedy for every disease, and it is from the vegetable kingdom that Dr. TAYLOR'S PILLS derive their ingredients, and in their use there is the happy certainty that if they do no good, they do no harm.

But of their diseased liver, kidneys, spleen, stomach and bowels, live-to-day to testify. IS YOUR LIFE WORTH 10 CENTS? Sickness prevails everywhere, and every body complains of some disease during their life. When sick, the object is to get well; now to say plainly that no person in this world that is suffering with Dyspepsia, Liver troubles, or any other disease, such as Indigestion, Constiveness, Sick Headache, Sour Stomach, Heart Burn, palpitation of the Heart, Depressed Spirits, Biliousness, &c., can get any relief or cure, if you doubt this, try our Druggists, Wilbur & Williams, and get a Sample Bottle for 10 cents and try it. Regular size 75 cents. Two doses will relieve you.

SPECIAL TO BUILDERS AND CONTRACTORS.—Before "breaking ground" send to Mr. P. F. TAYLOR, in Charleston, S. C., for his complete list of Building Material, with prices attached. The facilities of his establishment will save you time, annoyance, and what is better, money, in the purchase of your material. He is also county agent for "The National Mixed Paint Co.," warranted superior to any prepared paint made. List of shades and colors free on application.

DURYEA'S SATIN GLOSS STARCH.
