### INTIMIDATION.

During the procession on Tuesday night an effort was made to intimidate the colored members of Democratic Clubs, and deter others from uniting with them. Many threats were made by negroes against colored Democrats, which, if any attempt to execute be made, will bring upon the aggressors speedy and condign punishment. Solomon Wright, a colored member of the Belton Club, while riding in the procession was knocked from his horse by a rock thrown by a negro. This unprovoked and outrageous assault will not be permitted to go unpunished. The guilty party must be made to suffer the penalty due his offence, and adequate protection given the colored men who seek to unite with the Democrats. We say, this thing must be stopped, and the negroes and their unprincipled leaders taught that they shall not violate the rights of citizens with impunity.

#### DEDICATION.

The dedication sermon of the new Mt. Pisgah Baptist Church was preachd by Rev. W. E. Walters to a very large and appreciative congregation, which was an excellent effort. The text was very appropriate for the occasion, and seemed to stir up the church as it was repeated-"In the name of our God we will set up our banners." After the sermon, Rev. D. W. Hiatt was called on to offer the dedicating prayer. The services of the day were very interesting, and it is to be hoped that the church which they consecrated a place of worship may dispense to mankind many christian blessings.

The Charleston Journal of Commerce in-forms us of the following arrival of new cotton for sale in that city. The price quoted for the first bale is exceedingly low, and we fear the whole crop will not yield any very great nett profit to our planters:

Messrs. F. W. Wagener & Co., cotton fac-tors, received on Thursday the first bale of new cotton, from Orangeburg County. It was classified as middling, and was sold for 13 cents. This cotton was raised upon the plantation of Mr. J. F. Way, who is plant-ing about two hundred and seventy-five acres, and whose entire crop looks well and promises a handsome yield.

Messrs. Dayis & McCall received three bales of the new crop of cotton from Or-

Messrs. Williams, Black & Williams also received a new bale on Friday.

### ENTHUSIASTIC GREETING.

As General Hampton passed up the Greenville and Columbia Railroad to Walhalla on last Saturday, he received many demonstra tions of the estimation in which he is held in this State, and of the popular enthusiasm created by his nomination. At every town along the railroad large numbers flocked to the depots to salute and cheer him, thereby ating the General to show himself, and make them a short speech. At Belton, Anderson and Pendleton there were large crowds awaiting the arrival of the train, and at the last two towns he was received with music from the Brass Bands of the respective places. At Walhalla he made an excellent speech, although much fatigued by the day's travel and constant speaking. He says that he will enter the contest in earnest at an early day, and that the canvass is to be made a successful one. He will speak in Anderson on the second day of Septem-

### PICNIC AT GROVE CHURCH.

The Picnic at Grove Church, near the resi dence of Mr. S. F. McCounell, on last Friday attracted a large attendance from the Dark Corner and Savannah Townships. In the morning able and entertaining speeches were made upon the subject of education by Messrs. J. L. Orr, M. B. Clinkscales and John E. Breazeale, with a short reference to politics in Mr. Orr's speech. After the morning speaking dinner was announced, and an abundant and sumptuous basket dinner enjoyed by all present. In the afternoon the crowd assembled again at the stand, and temperance by Mr. A. J. Watt, and upon temperance by Messrs. G. F. Tolly and W. G. Brown. A political speech was then made by Mr. E. B. The day was a very delightful social occasion, and its proceedings were interesting to all present.

The Anderson Cornet Band was in attendance, and furnished delightful music for the occasion.

Some of the citizens of Broadaway Township organized a rifle club on the 12th inst. with the name of "Broadaway's Mounted Hampton Riflemen," and elected the following officers: Joseph B. DERSON!

Hampton and his Ticket Enthusiastically Ratified!

Grand Torchlight Procession-Firing of Cannon-Two Cornet Bands-Six Rousing Speeches-Fifteen Hundred Persons Present!

On last Tuesday night the grandest political demonstration that has been witnessed in Anderson for fifteen years was conducted under the direction of the Executive Committee of the Anderson Democratic Club in honor and ratification of the nomination of Hampton and his ticket. This meeting had only been arranged for about three days be fore Tuesday night, and for the time of preparation was the grandest affair ever witnessed by our citizens. During the entire day of Tuesday the most ACTIVE PREPARATIONS

for the evening could be seen in the town of Anderson. Flags of the Union and of the State were flying from many of the stores of the town, and every one was on tiptoe with excitement and curiosity. A number of transparencies were prepared. Flags and banners were made. Flambeaux were fixed and cannon stationed in the Fair Ground. Late in the afternoon the crowd began to assemble in town, and by dark the streets and square were nearly filled with vehicles, horses and footmen. At about seven o'clock THE PROCESSION

formed in the Fair Grounds and moved

down Main street in the following order: 1. Pendleton Band Wagon. 2. The wagon containing the speakers. 3. The persons on foot. 4. The Palmetto Rifle Club. 5. The Belton Rifle Club. 6. The Mounted Hampton Riflemen. 7. The Hampton Guards. 9. Other persons present on horse-back. 10. The Anderson Cornet Band Wagon. The flambeaux and transparencie were lighted, the flags were unfurled, and the cannon peeled forth at regular intervals. The appearance of the procession was very fine, and in its proportions as well as de meanor would compare favorably with any political demonstration ever had in Anderson. THE TRANSPARENCIES

were well gotten up, and their cartoons a well as their mottoes were very suggestive. Some of them were "The straight-outs kicking out the played-outs." "The Edgefield bull that changed Mackey's tune." "Hampton is going to Wade in Nov. 7th, 1876." By Honesty and Reform we will win." Pictures of "Tilden, our next President;" "Hendricks, our next Vice-President;" "Hampton, our next Governor." "The Democratic straight-out ten strike." "As long as he sticks we will stick." "I'se tired ob dis load," represented the negro ridden by carpet-baggers, scallawags and a Hog(e). A lantern with Hampton's picture, "Liberty for South Carolina" and "Justice to all." "Down with Chamberlain and his rotten crew." "Vote for Hampton and the straight-out Democratic ticket." "Slaughtertime for our Congress Hog(e) Nov. 7th, 1876." These and similar mottoes were upon the transparencies, and made their

own suggestions. The procession reached from the residence of Mr. D. S. Maxwell to below Judge Reed's residence. When it reached the University hill it turned and marched up McDuffie street and back to the public square, where the offices up stairs were brilliantly illuminated. Here a halt was commanded and the speakers introduced. President A. J. Watt welcomed the audience in an eloquent speech, and introduced in succession Messrs. John B. Moore, R. W. Simpson and W. C. Brown, after which Messrs. James L. Orr. E. M. Rucker and E. B. Marray were called for by the crowd. The speeches were enthuton, informs us that he bas a stalk of cotton | siastic and ringing with Democracy and the which has 480 squares and bolls upon it. hope of victory. They were greeted with tention to the very last.

After the speaking, Maj. Moore proposed three cheers for the Anderson Intelligencer, which were lustily given, and Dr. Brown proposed a similar compliment to the Anderson Journal, which was also responded to with a will by the crowd. Mr. E. B. Murray then asked for three long cheers for Tilden and Hendricks, Hampton and victory in November. The shout was long, loud and hearty.

All through these proceedings, the two brass bands discoursed stirring music, and did much towards enthusing the audience. Near eleven o'clock, President Watt returned thanks for the attendance and atten tion of the audience, and for the services of the bands, and invited all of them to come and bring their neighbors on Saturday week

to hear our standard bearers. There must have been between 1000 and 1200 persons present, and it is to the credit of the crowd that they departed without the slightest indecorous behavior from any source, except the incident spoken of elsewhere. The meeting was a grand success, and fruit will no doubt be gathered from

MARTIN TOWNSHIP DEMOCRATIC CLUB. The Club met at Clinkscales' Mill on Saturday evening, August 19th, and was called to order by Vice-President Robert Parker. The following resolutions were unanimously

adopted:

Resolved, That we accept the invitation to unite with the other Clubs of this County in a Democratic mass meeting in September.

Resolved, That we heartily endorse the action of the State Convention in nominating straight-out Democrats for State officers.

Resolved, That we hereby ratify said nomnations, and pledge ourselves to support The Club is in a lively condition, and the

members are energetic and determined in their efforts to secure a Democratic victory. Four new names were enrolled, which reduces the number of those who do not favor the organization to nearly zero, and leaves it in a sad minority. The Club decided to make no nominations

for County officers until the primary election, except for Trial Justice, and for this office the name of Geo. M. McDavid was suggested. The Club then adjourned to meet the fourth Saturday in September. ROB'T PARKER, President pro tem. GEO. M. McDAVID, Secretary.

MESORS. EDITORS : As I wrote a communication some time ago, looking to a co-ope ration with the better class of Republicans as the most practical course for the Democracy, and as the Democrats of the State have deemed it advisable to make a straightout fight, and have put in the field a ticket that all can support who desire an honest administration—a ticket that defeat in the support of it will be more honorable than ccess in the support of the ticket that will probably be nominated by the Republicansand have announced a platform of principles broad enough for every man to stand upon who desires honesty and reform, I deem it a duty I owe to the public, as well as to myself, to say that I yield my opinions of expediency to the voice of the majority, and shall support the ticket that has been put in the field, feeling that if we would be successful in this fight for honesty and reform, that we must all lay aside previous opinions, and all work for the consummation of what every patriot de-Respectfully. A CARD.

I take this method to thank my friends for the many acts of kindness shown me since I have been a candidate for the office of Sheriff, and to state that I believe that there is a majority of white men in this County who favor a wounded soldier in preference to a sound man for office, when he is equally competent to discharge its duties; and in order that that preference may be expressed, I decline my nomination, and the race I have commenced for the office of Sheriff, in favor of my opponent, a wounded soldier, Capt. W. T. Grubbs, who is well qualified to discharge the duties of the

In conclusion, I desire to say-I am not that wealthy man that I have been reported to be. I had nothing when the war ended, but was in debt over five thousand dollars and have not been able physically to work for anything since. My accumulation and fortune are, therefore, small, and any statement made to the contrary is false. But I thank my friends for their interest in my behalf, and could only be induced to decline the race to prevent a needy, wounded soldier and good Democrat from being defeated by men who are able to work for a living, no matter how worthy or competent such men might be. I shall continue to work for the Democracy without ceasingwill vote only for the nominees of the party, and will vote for no candidate for office who will not pledge himself not to run for office if not nominated.

Old Age is Honorable.

Old Age is Honorable.

This is true, but how few of us like to look old. Age, with its grey hairs, is never welcome, and the various arts have been brought into requisition to hide its ravages. In too many instances agents are used for that purpose which inflict serious injury on the constitution. Especially is this the case with a large majority of the Hair. Dyes of the present day. For an elegant preparation that will impart a perfectly natural color, without doing the least harm to the hair or health we recommend that made by Dr. Tutt, of New York. It possesses qualities that no other Hair Dye does, and as its analysis proves is as innocent as mountain spring water.
