#### TO ADVERTISERS.

The Anderson INTELLIGENCER has the largest circulation of any country paper published in the State, and has more than three times the circulation of any other paper in Anderson County. We print and circulate regularly 1776 papers. Our list in the County has increased instead of diminished, and we hope to receive a still greater increase during the coming fall. We are willing at any time to verify the above by an inspection of our subscription book, or our paper bills; or when desired, we will furnish advertisers with an affidavit of the correctness of our statement as to the circu-The Court is advised, however, that your
